Von Jeremy Robinson, Kane Gilmour : Ragnarok (A Jack Sigler Thriller Book 4) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ragnarok (A Jack Sigler Thriller Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Chess Team assemble!Von MFLRagnraok ist das vierte Buch von Jeremy Robinson das sich um das Chess Team dreht. Ein Team der Black-Ops das in der Regel gegen Terroristen, Grenwahnsinnige und Monster kmpft, oft gegen alle drei

gleichzeitig. Als Fan der Reihe habe ich, nach dem ausgezeichneten dritten Buch *Threshold* und der sehr unterhaltsamen *Callsign*-Reihe, sehr hohe Erwartungen an dieses Buch gehabt. Ich wurde nicht enttäuscht. Die Handlung ist rasant, die Action lässt so gut wie nie nach. Das Buch hat mich in Teilen an *The Avengers* erinnert, vor allem da ja mit den *Callsign*-Novellen eine ganze Reihe erschienen ist die sich pro Teil um ein Mitglied des Teams dreht und Ragnarok jetzt das Team wieder zusammen bringt um die Welt zu retten. Wenn man grobe Schusswaffen, saftige (sprich brutale) Action, Mythologie und Wissenschaft die sich Science-Fiction annähert mag ist man mit Ragnarok ausgezeichnet bedient.

Kurzbeschreibung It starts with a thunderous crack and a flash of light. Screams come next. Then the hunters. With a staccato flicker, the light disappears and everything within a hundred yard radius goes with it. A massive crater is all that remains where a chunk of the world has gone missing. As the deadly phenomenon repeats and expands amidst the world's most densely populated cities carving apartment buildings in half, scooping away entire city blocks, and claiming thousands of lives Jack Sigler, *Callsign: King* and his black ops team take action. But the team is broken, spread across the globe and vulnerable. Scrambling to make sense of the violent disappearances and fighting to reunite, the team comes face-to-face with an otherworldly enemy capable of making the fearless...terrified. Taking the battle to the ends of the Earth and beyond the team combats a savage enemy whose centuries-old plan for mankind has nearly reached fruition. If they fail, the planet will become little more than a fully stocked food cache for a creature whose presence heralds the beginning of Ragnarok and the extinction of the human race. Ragnarok is the fourth full-length novel in the Jack Sigler/Chess Team series, following *Pulse*, *Instinct* and *Threshold*, as well as the prequel novel *Prime*, and eight standalone novellas focusing on the individual characters in the series. **PRAISE FOR ROBINSON and the JACK SIGLER THRILLERS** "Robinson blends myth, science and terminal velocity action like no one else." -- Scott Sigler, NY Times Bestselling author of *INFECTED* and *ANCESTOR* "Just when you think that 21st-century authors have come up with every possible way of destroying the world, along comes Jeremy Robinson." -- New Hampshire Magazine "There's nothing timid about Robinson as he drops his readers off the cliff without a parachute and somehow manages to catch us an inch or two from doom." -- Jeff Long, NY Times bestselling author of *THE DESCENT* "Jeremy Robinson is a fresh new face in adventure writing and will make a mark in suspense for years to come." -- David Lynn Golemon, NY Times bestselling author of *LEGEND* and *EVENT* "Jeremy Robinson is an original and exciting voice." -- Steve Berry, NY Times bestselling author of *THE EMPEROR'S TOMB* "With *THRESHOLD*, Jeremy Robinson goes pedal to the metal into very dark territory. Fast-paced, action packed and wonderfully creepy! Highly recommended!" -- Jonathan Maberry, NY Times bestselling author of *ROT RUIN* "[*SecondWorld*] is gripping, propelled by expertly controlled pacing and lively characters. Robinson's punchy prose style will appeal to fans of Matthew Reilly's fast-paced, bigger-than-life thrillers, but this is in no way a knockoff. It's a fresh and satisfying thriller that should bring its author plenty of new fans." -- Booklist "A brisk thriller with neatly timed action sequences, snappy dialogue and the ultimate sympathetic figure in a badly burned little girl with a fighting spirit... The Nazis are determined to have the last gruesome laugh in this efficient doomsday thriller." -- Kirkus "Relentless pacing and numerous plot twists drive this compelling stand-alone from Robinson... Thriller fans and apocalyptic fiction aficionados alike will find this audaciously plotted novel enormously satisfying." -- Publisher's Weekly **Kurzbeschreibung** It starts with a thunderous crack and a flash of light.
