**Von R. E. Bradshaw : RAINEY NIGHTS (A Rainey Bell Thriller Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised RAINEY NIGHTS (A Rainey Bell Thriller Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Great action packed thrillerVon PhilologusWith Rainey Bell RE Bradshaw has given us a wonderful complex Ex-FBI

character: I loved Rainey Days and Rainey Nights is IMO as good or even better. Again RE delights and haunts us with great visuals: The opening scene is worthy of any Hollywood Movie and you got to love her secondary characters, e.g. Brooks (MORE!). And the story is complex too with several layers and some extras too! This book is not so much a classic "mystery" (although there is a strong element there), but rather a great study of characters, of how to survive a job as difficult as a profiler and about inner strength. The book is action-packed and at some times not for the faint of heart.0 von 0 Kunden fanden die folgende Rezension hilfreich. Loved it!Von SkippyI downloaded this book before I finished the first part of the Rainey Bell season. I was so hooked up, I didn't want to risk to be without internet access (I was on vacation at that time) and be without a new Rainey Bell book for a day. Like the first book, the second didn't disappoint me. Rainey and Katie are settling in, working on their relationship and plans for a family. Meanwhile somebody is killing in the triangle area and Rainey better has to find out who before she and her family are at risk too.

KurzbeschreibungWomen are missing and dying in the Triangle area of North Carolina. One woman holds the key to why. With the conclusion of the Y-Man murders nine months ago and her resignation from the FBI, Former Special Agent and Behavioral Analyst, Rainey Bell has finally found peace and contentment she never thought possible, even if she remains a bit paranoid. Her wariness is well-founded and justified when a monster from her past rears his demonic head. Rainey has faced death and evil before alone. Now its different she has a family to protect, her own. Only Rainey can keep them alive. Or can she? As one reviewer said, "Dont assume you know how this story will end."KurzbeschreibungWomen are missing and dying in the Triangle area of North Carolina.
