RAISED IN CAPTIVITY. As with PTERODACTYLS and FAT MEN IN SKIRTS, Silver puts the fun back into dysfunctional families. RAISED IN CAPTIVITY revolves around SEBASTIAN BLISS, an emotional celibate who can't get over the death of a lover; a convict with whom SEBASTIAN corresponds; BERNADETTE, his sister who is afraid of change; her husband, KIP, who has an obsession with teeth; and SEBASTIAN'S psychologist, HILLARY, who can't deal with her own problems. The first act is set up in a collage of short scenes; and the second is very farcical. A bit tamer than his earlier work but just as good! Psychologically stimulating. Excellent writing. Very funny, and extremely moving.

Kurzbeschreibung With sharp comic turns and absurdist twists, Raised in Captivity explores the guilt, self-punishment, and redemption in the lives of two estranged and equally odd siblings when they reunite at the funeral of their mother-- whose demise was caused by nothing less than an errant showerhead.
