Kurzbeschreibung Youve heard it said, Be careful what you pray for. But it may also be a good idea to be careful who you ask to pray. Because when folks like Hattie Hopkins talk to God anything can happen! Stuck in the semi-reclusive life shes built for herself, Olivia Harmon is still recovering from the tragic loss of her husband and daughter five years before. Though she loves her job at Vermonts department of tourism, she longs for something more so she asks her landlady Hattie to pray for a little volunteer work for her to do. Things dont work out exactly as she had planned, however, and soon Olivia finds herself bursting out of her carefully built cocoon to undertake the nurturing of three rambunctious street children. Even her heart seems out of control, causing her to fall for Zach Springer, the handsome handyman who rode a mudslide right into her sun room. Can a woman so accustomed to self-imposed solitude adjust to a new life, a new love, and the new challenge of Raising Cain and His Sisters? From the Trade Paperback edition.
