Ramage adventure doesn't disappoint Von Scott Blake I thought that the first Ramage book was a harbinger of things to come. "Drumbeat" is as good, or better, than its predecessor. The story is appealing, the characters of Ramage, his crew, and the Marchesa continue to develop well, and the detail work is fine. After two exposures to Ramage, I compare Pope's work with him to Alexander Kent's Bolitho series. In both, the main characters are believable and draw the reader into their world most convincingly. It's a great thing for readers of nautical fiction that Ramage is being reprinted in U.S. editions. I look forward to reading the rest of the series.

Kurzbeschreibung Ramage and the Drumbeat takes the brave Lord Ramage to the new world where he becomes embroiled in a series of electrifying sea battles and hazardous political shenanigans. He must once again prove his mettle as he undergoes the merciless enemy attacks. Fighting alongside Lord Nelson, this is Ramage at his best. Pressestimmen Dudley Pope knows all about the sea and can get the surge of it into his writing.--Daily Mirror The best of Hornblowers successors.--Sunday Times Kurzbeschreibung Ramage and the Drumbeat takes the brave Lord Ramage to the new world where he becomes embroiled in a series of electrifying sea battles and hazardous political shenanigans. He must once again prove his mettle as he undergoes the merciless enemy attacks. Fighting alongside Lord Nelson, this is Ramage at his best.
