**Von Gemma James : Rampant (Condemned Series Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rampant (Condemned Series Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Noch gruseligerVon BcherliebeDas hier ist das zweite Buch von "Torrent (Condemned Book 1)" ohne man dieses hier nicht versteht. Es sind 150 Seiten angegeben, aber ich glaube es sind eher 300. So fhlte es sich zumindest an, denn man liest

zwei drei Tage daran. Zwischendurch mute ich auch mal den Kindle zur Seite legen, weil es mir zu intensiv und brutal wurde. Nachdem der erste Teil mit einem halben Happy End aufgehört hat, beginnt dieses Buch ziemlich dramatisch und bleibt auch lange schaurig. Die Frau wird diesmal von ihrem durchgeknallten Stiefbruder entführt, unter Drogen gesetzt und gequält. Wer rettet sie nun? Der dritte und letzte Teil "Fervent (Condemned Book 3)" erscheint erst 2015.

Kurzbeschreibung Life is twisted and cruel. After being ripped from the safe haven of Rafe's arms, my kidnapper is waging a sick game. Unable to make my body do his bidding, he's using mental warfare instead. I'll go through hell to get back to Rafe, but I'm unprepared for what I find. He's done what I can't: he's erased eight years of pain and betrayal. I don't know how to bring him back to me, because bringing him back means ripping him to shreds all over again. NOTE TO READERS: RAMPANT is a dark romance with disturbing themes and explicit content, including sexual scenes and violence that may offend some. Intended for mature audiences. Please begin with Torrent before reading Rampant. Part 2 of the Condemned series.

ber den Autor und weitere Mitwirkende Gemma James is a USA Today and bestselling author of a blend of genres, from new adult suspense to dark erotic romance. She loves to explore the darker side of human nature in her fiction, and she's morbidly curious about anything dark and edgy, from deviant sex to serial killers. Readers have described her stories as being not for the faint of heart. She warns you to heed their words! Her playground isn't full of rainbows and kittens, though she likes both. She lives in Oregon with her husband and their four children: three rambunctious UFC/wrestling-loving boys and one girl who steals everyone's attention.
