Von Linda Conrad : Rancher's Perfect Baby Rescue (Mills Boon Intrigue) (Perfect, Wyoming, Book 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rancher's Perfect Baby Rescue (Mills Boon Intrigue) (Perfect, Wyoming, Book 2):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Perfect, Wyoming #2Von Detra FitchBroke, pregnant, abandoned, and alone, Susannah Paul had no idea how she would survive, much less be a decent mother. So when she was found by Samuel Grayson, Susannah was relieved to let him handle all her troubles. Everyone in Cold Plains, Wyoming, was kind and helpful. Grayson's Devotees were generous and really seemed to care about people. Susannah had been proud when she became a Devotee and was tattooed. But that has all changed.As Susannah's delivery date neared she moved in with the midwife, May Frommer. Susannah gives birth to a little girl, Melody. May begins informing Susannah about how Grayson abhors anyone who is not perfect, and that people, including babies, who were not perfect tended to disappear. Susannah believes her daughter IS perfect, but Melody has a large raspberry-colored birthmark covering her ear and halfway down her neck. Susannah could not risk losing her baby. So when Jonathan Miller (one of Grayson's friends and the vice-mayor of Cold Plains) shows up, Susannah grabs her two-week-old little girl and runs for the woods.Nathan Pierce is kept busy runny the family ranch. That is how he likes it. He seldom sees his ghost of a brother, Derek, who cares only for his high tech gadgets and computers, and his father, Evan, is constantly grumpy. Nathan and Evan rarely have discussions or conversations, but they have plenty of loud arguments. But today would be different. Nathan knows it the instant he finds a beautiful lady and infant asleep in the hay. Obviously Susannah is terrified. Nathan can easily see she is exhausted and the baby is too quiet. Learning that the lady is a Devotee, Nathan's first instinct is to feed her, give her some money, and send her on her way. But Melody is so precious and way too quiet for his comfort. Nathan has Maria, the family's housekeeper, tend mother and daughter while he fetches Dr. Rafe Black, the only one who does not seem to kiss Grayson's shoes.Per Dr. Black, Susannah and Melody need to remain on the ranch for a couple of weeks. Nathan decides to use the time to help Susannah. The woman already realizes that the Devotees are not what she had previously believed, yet she refuses to believe that Grayson is a monster. But Nathan knows Grayson to be a slippery con man and that he probably had a hand in killing his ex-wife, Laurel. Before Laurel's death, Nathan had been studying on how to give exit counseling for ex-cult members. Though he could not help Laurel in time, perhaps he could help Susannah. As time passes, Nathan comes to care more and more for Susannah and Melody. Susannah has a way with people. Derek is around more often. His father has eased up some and adores her. His autistic niece, Sara, took an instant interest in Susannah - something that has never happened before. His entire family is changing for the better. And personally, Nathan hates the thought of Susannah and Melody eventually leaving. But Grayson and his goons have not given up on getting the pair back. As long as Grayson runs Cold Plains, neither Susannah, nor Melody, is safe.\*\*\* THREE STARS! This sweet romance is the second title in the "Perfect, Wyoming series". There are six titles in all. This is a stand-alone story, but unless you read the first book (Special Agent's Perfect Cover (Harlequin Romantic Suspense), the horrible danger that Susannah and Melody are in will not really shine through. Grayson's character plays a very minor role. He has no vital part in this tale. Susannah and Nathan's relationship is the main focus. Miller (Grayson's goon) is the real villain in this story and he is mostly just an annoying pest and bully.The author includes an interesting minor character named Sara. Sara is around the age of seven. She was diagnosed with autism at the age of two. Nathan is her legal guardian. Though Sara's character is not essential for the story itself, I believe Sara to be a nice touch. Sara adds some charm to the book. She is also used as part of the bridge that would link Susannah and Nathan together, by letting Susannah witness Nathan's tender side with children. (Not to mention that readers will actually learn a bit about autistic children.)Special Agent Hawk Bledsoe, from the previous novel, has a cameo or two. Dr. Rafe Black does too. In fact, Rafe's story is told in the next title (A Daughter's Perfect Secret (Mills Boon Intrigue) (Perfect, Wyoming - Book 3). Linda Conrad has done a very good job of showing that Grayson's evil reach is not limited to only Cold Plains. I can hardly wait to read more in this series. \*\*\*Reviewed by Detra Fitch of Huntress Reviews.
