LOVED oh and LOVED it! Raine Miller you really did it again! This is such a beautiful ending in this series --- well for now! It has everything that we loved about Ethan and Brynne from this series before: filthy-mouth, protective Ethan, strong and loving Ethan, growing Peaches. But we also had the stuff that they had to go through to make their bond even stronger, the sad parts, the I-wanna-kick-them part, the This-can't-be-happening, Please-No-parts. I can't thank you enough for bringing Ethan and Brynne and Peaches into this world, and Neil and Elaina as well. This series definitely ranks on the top of my all time favorite list. And not only for the man meets woman and falls in love story, but all the other little things...trust, honesty, lust, lost, grief, hate, anxiety, laughter. Involving real life events like the Olympics 2012, 9/11 and wars makes it all so much more real, you feel so much closer than you are already feeling to the characters...there's so much emotions in these books, it's overwhelming. Thank you Thank you Thank you! 0 von 0 Kunden fanden die folgende Rezension hilfreich. too much, too slow Von Sole I enjoyed the other books but not this one. It was a book too much. Too many endless descriptions with little or nothing happening. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Beautiful Von Kindle-Kunde Great finish to the series . I absolutely loved it , the love between Brynne and Ethan is just so beautiful .

Über den Autor und weitere Mitwirkende Raine has been reading romance novels since she picked up that first Barbara Cartland paperback at the tender age of thirteen. She thinks it was The Flame is Love from 1975. And it's a safe bet she'll never stop reading romance novels because now she writes them too. Granted, Raine's stories are edgy enough to turn Ms. Cartland in her grave, but to her way of thinking, a tall, dark and handsome hero never goes out of fashion. Never! A former teacher turned full-time writer of sexy romance stories, is how she fills her days. Raine has a prince of a husband, and two brilliant sons to pull her back into the real world if the writing takes her too far away. Her sons know she likes to write stories, but have never asked to read any. (Raine is so very grateful about this.) She loves to hear from readers and chat about the characters in her books.
