Von Giles Kristian : Raven 3: Odin's Wolves before purchasing it in order to gage whether or not it would be worth my time, and all praised Raven 3: Odin's Wolves:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannend und interessantVon HenrikNachdem ich schon die vorherigen Buch gelesen habe, wollte ich wissen wie es weiter geht. Nachdem die Vorgnger schon gut waren, ist dies nochmal eine Steigerung. Das Buch ist interessant

geschrieben und nicht so voraus sagbar wie andere. Natürlich merkt man die Einflüsse von Bernhard Cornwell oder auch Tim Severin. Wer das Genre mag, ist hier genau richtig!

Kurzbeschreibung We lusted for an even greater prize: one that can never be lost or stolen or burnt...Raven and his fellow Vikings have suffered. Good men have died. Hard-won treasure has been lost. But for these Norsemen, there is something more precious than gold or silver, and that is fame - for this is what a warrior leaves behind when he has breathed his last. And so the brotherhood sail for Constantinople, the city they call Miklagard. There, it is rumoured, both riches and glory are to be found, but the journey takes them through unknown and dangerous waters - from the wind-whipped marshes of the Camargue to the treachery and faded glory of a once-mighty Rome. For Raven and the Wolfpack there is a high price to pay for the fame they seek. Miklagard's streets may seem paved with gold, but they also run with blood . . . A brilliant, brutal new chapter in the story of Raven, this is historical fiction at its most authentic and exciting.

Pressestimmen "Kristian can really write...his battle scenes are bone crunchingly good, his descriptions of the Viking world bright and evocative...a great storyteller." (BEN KANE, author of The Forgotten Legion) "If this is the last we see of Raven Bloodeye - and I really hope it's not - this is a storming, magnificent end to what has been one of the best Viking series of all time. Authentic, bloody, visceral action, a beautiful, lyric prose that sweeps off the tongue like the old Norse sagas, this is tale-telling at its rip-roaring best." (M. C. SCOTT) "Giles Kristian captures the lyrical cadences of Anglo-Saxon verse in his poetic narrative. It's a masterly achievement, full of blood-drenched battle scenes, yet with tender moments too. The young narrator Raven earns his spurs among grizzled older Vikings as they maraud Mediterranean shores. Kristian evokes the warriors' stubborn camaraderie and their own strange code." (DAILY EXPRESS)

Werbetext The thrilling, blood-stirring, blood-soaked new chapter in the story of Raven and his fellow Viking warriors.
