**Von Giles Kristian : Raven: Blood Eye (Raven 1)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Raven: Blood Eye (Raven 1):

**Kurzbeschreibung**The first book in a thrilling Viking trilogy that launched the career of acclaimed historical novelist Giles Kristian - who's now confronting the tumult and devastation of the English Civil War in *The Bleeding Land*...For two years Osric has lived a simple life, though he is feared and shunned for his mysterious past and blood-red eye. When raiders from across the sea ransack his village, Osric finds himself taken prisoner by their chief, Sigurd the Lucky. Immersed in the Norsemen's world and driven by their lust for adventure, Osric proves a natural warrior and forges a deep bond with Sigurd, who renames him Raven. But the Norsemen's world is a savage one, where loyalty is often repaid in blood, and a young man must become a killer to survive...**Pressestimmen**"A gripping, bloody narrative." (BBC History magazine)**Werbetext**A Viking adventure, packed with battles, blood, and gore; with a quest, pagans versus Christians, and a conflicted hero at its heart, *Raven* is historical fiction at its very best, and marks the debut of an outstanding new talent.
