KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Hot, fast

paced, action packed: Great sequel! Von Philologus This was one of the hottest, fast paced, most sexy, action-packed and witty paranormal books since, yes since The Midnight Hunt by L.L. Raand or Nalini Singh's Psy-Changeling series --- , every sexual frustration from book one (which was in its own right great) was turned into gratification in this book -- . The new world of Winter's Urban Fantasy unfolded nicely with more tantalizing pieces added about Cassandra, the vampires, her lover, etc. Although not quite a cliffhanger - the end hints at more to come. So we need a sequel. soon. very soon. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Erster Englischer Roman Von Customer und begeistert - nicht voll von Fachausdrücken - aber auch nicht so "kindlich" dass man stupide drüber lesen kann. Spannende Story, mit interessanten Charakteren

Kurzbeschreibung I stared down at the lifeless body of a boy whose face was all too familiar Following the execution of Lukas Morris, Preternatural Private Investigator Cassandra Lyall told herself that she'd learn more about the local werewolf packs Alpha female. Just as she begins her investigation, she's interrupted by a phone call from friend and ex-colleague, Detective Arthur Kingfisher. The body of a sixteen-year-old boy has been found. It's not just any sixteen-year-old boy, it's Timothy Nelson, a boy Cassandra knew was curious about the preternatural. Cassandra soon realizes that Timothy's death serves as a challenge, but it's not a challenge directed at her. It's aimed at her lover, the Countess vampire of Oklahoma, Lenorre. While Cassandra tries to figure out if Timothy's curiosity was his undoing, the biggest question of all remains unanswered. Is Timothy Nelson dead or undead? The Second Book in the Cassandra Lyall Preternatural Investigator Series.
