Von Sabrina Chase : Raven's Children (Sequoyah Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Raven's Children (Sequoyah Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. space opera at its bestVon mantorithclassic space opera at its best - I enjoyed every second of the 3 books of the sequoyah trilogy.I am still curious about the mysteries not revealt, for example about the breakers and how the futuere of craps and humans will develop and what role sequoyah will play in it.0 von 0 Kunden fanden die folgende Rezension hilfreich. Feels like FireflyVon Chippie NaseweisWarum ist diese Autorin nicht sehr bekannt? Die Sequoyah-Serie stellt viele Werke bekannterer Autoren in den Schatten. Das Setting erinnert mich ein wenig an die Serie Firefly.0 von 0 Kunden fanden die folgende Rezension hilfreich. sequoiyaVon Wolfgang Schultzspace opra at it's finest. Keine

Horror, Vampir und hnliches, d.h. reine SciFi wie in den 70ern 80ern und 90ern, siehe E.Moon, D.Weber, u.a.

Kurzbeschreibung Everything works on Raven--unlike some ships Moire Cameron crewed on. No excuses left. Somebody created Alan, an eight-year-old boy in an adult body, and she needs to hunt them down and stop them. But can she destroy the facility and rescue the other created children? Or will she be forced to choose? Continuing the fast-paced adventure of *The Long Way Home*, the second book in the Sequoyah trilogy adds more mysteries and reveals more secrets of the space frontier...
