Von Lisabet Sarai : Raw Silk (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Raw Silk (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An stimulating read...Von Ein KundeWhile the plot storyline are fine, Somtow and David were slighted in depth of their characters. Generally, I am a HUGE Portia Da Costa fan, but Ms. Sarai has the trappings of a fine writer! I would

definitely read more of her books.0 von 0 Kunden fanden die folgende Rezension hilfreich. A brand new fanVon Ein KundeI've read at least 20 books from the black lace series and this was by far my favorite. It has a bit of everything from romantic courtship to submission. The book was a lesson in culture as well as eroticism! Excellent!

KurzbeschreibungIn a foreign land, a woman discovers exotic new realms of the sensesWhen software engineer Kate ONeill leaves her lover David to take a job in Thailand, she becomes sexually involved with two very different men handsome and debauched member of the Thai aristocracy, and the charismatic proprietor of a sex bar.Each touches her in a different way, each teaches her different things about her body and her heart.Then David comes to Bangkok, and Kate realizes that, finally, she must choose one of the three men who all desire her.About Lisabet SaraiI became addicted to words at an early age. I began reading when I was four. I wrote my first story at five years old and my first poem at seven. Since then, I've written plays, tutorials, scholarly articles, marketing brochures, software specifications, self-help books, press releases, a five-hundred page dissertation, and of course, lots of erotica and erotic romance.In addition to writing, I also edit erotica and erotic romance. My editing credits include the ground breaking anthology Sacred Exchange, which explores the spiritual aspects of BDSM relationships, the massive collection Cream: The Best of the Erotica Readers and Writers Association, the charity anthology Coming Together: In Vein, a collection of vampire tales that benefits Doctors Without Borders, and six volumes of the Coming Together: Presents series of single author charitable erotica books.My lifelong interests in sex and the written word became serendipitously entwined more than a decade ago when I read my first Black Lace book by Portia da Costa. Her work inspired me to take my fantasies out of the closet (and the private email files) and expose them to the world. The rest, as they say, is history (although granted, no more than a minor footnote!)I've always loved traveling; my husband seduced me in a Burmese restaurant by telling me tales of his foreign adventures. Since then I have visited every continent except Australia, although I still have a long travel wish list. Currently I live with him and our two exceptional felines in Southeast Asia, where I pursue an alternative career that is completely unrelated to my creative writing.
