KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. kurzweilig und schnell gelesenVon guddie story zwischen der autorin und 'ihrem' sldner ist spannend und sexy, die

kumpel des sldners witzig, nur der bsewicht lt ein wenig zu wnschen brig. aber das ist ja wohl auch nicht das wichtigste...hem...alles in allem orientiert sich frau monroe fr meinen geschmack ein wenig zu sehr an christine feehan, aber an der kommt in diesem genre eh keiner vorbei.fr einen kurzweiligen sonntagnachmittag ist das buch genau das richtige. und die folgenden zwei romane (willing ; and able) ebenfalls.

KurzbeschreibungThey're the good guys fighting the bad guys. They'll get the job done--if the price is right and so is the cause. Meet three sexy men who individually are READY, WILLING, and ABLE to go the distance--and together, are unstoppable. . . As a writer, Lise Barton is used to coming up with wild scenarios for her characters, but the one that's playing out for her right now is no fiction--it's frighteningly real. Someone is stalking her, someone who knows where she lives and what she does. Someone who has even threatened her family--her brother, his wife, and their precious baby girl. Lise isn't about to let someone hurt them, so she packs up and leaves Texas for the anonymity of Seattle. And then the threats start again. . .Joshua Watt's mission is simple: Go to Seattle and bring Lise home for Thanksgiving or he'll never hear the end of it from his sister. It's not like "Aunt Lise" to stay away from their adorable niece, and Joshua's pretty sure he's the reason for it. He's spent months trying to forget the taste of her lips, the feel of her soft hair in his fingers. Yeah, okay, he wants her--badly--but family comes first. But the minute he sees the fear in Lise's eyes, his survival instincts kick in. The former Army Ranger isn't about to let some creep terrorize an innocent woman--not on his watch. He's going to do what it takes to protect Lise and try to keep his personal feelings out of it. Because if there's one thing he's learned, it's that sex and work don't mix. Not ever. So far. . .KurzbeschreibungThey're the good guys fighting the bad guys. They'll get the job done--if the price is right and so is the cause.
