Von Tawny Taylor : Real Vamps Don't Drink O-neg before purchasing it in order to gage whether or not it would be worth my time, and all praised Real Vamps Don't Drink O-neg:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. UnexcitingVon Helen HancoxThe number of new vampire-themed stories being published each month seems to continue to increase and consequently all the amusing book titles have already been snapped up. "Real Vamps Don't

Drink O-Neg" is the rather clumsy title for a book which doesn't ever discuss O-Neg, or even what 'Real vampires' are, apart from the fact that in the story heroine Sophie Hahn doesn't believe in them, or anything else unusual. That's until she discovers that the new wife of her friend Dao seems to have shed a snake scale. Fortunately her boss knows all about this kind of thing, Dao's wife is a Lamia (a snake-like vampire) who is sucking the life out of Dao. There's only one way to rescue Dao and that's with some strange ancient Hebrew artefacts so Sophie goes to her local library to look them up. There she bumps into Ric Vogel (another German avian surname, 'Hahn' meaning cockerel and 'Vogel' meaning bird) who is a College Professor and rather dishy. He already has the book she needs in his hands and won't give it up so she ends up agreeing to go for a drink with him. However a scary experience of a vampire biting her during the night forces her to reconsider her preconceptions about supernatural creatures and she ends up teaming up with Ric to find the artefacts. There's more to Ric than first meets the eye, however, and soon Sophie finds herself caught between trusting two vampires who keep secrets from her. The underlying plot (searching for the Hebrew artefacts) becomes rather ignored at times for the sex scenes, then picked up again. Neither Sophie nor Ric seem to have a great deal going for them except for physical attributes and, in Sophie's case, bravery (foolhardiness?) The book never really grabbed my attention and the characters seemed too shallow. The final denouement was a damp squib with a few attempts at plot twists that didn't really feel comfortable. It seems the real point of the book was the sex scenes, some of which contained elements that many traditional readers of paranormal romances might find distasteful. Perhaps the book might have been more successful if it tried to include a little of the humour of the title or, alternatively, concentrated more on the plot and characterisation and less on descriptions of sex acts. Originally published for Curled Up With A Good Book, [...] Helen Hancox 2007

Kurzbeschreibung First Love Or First Bite? Although Sophie Hahn works as a paranormal researcher, she doesn't believe in ghosts, werewolves, or anything to do with the supernatural world. But when it appears that her best friend Dao is slowly being killed by a female vampire, her beliefs are put to the test. Dao's new wife is the prime suspect, though she doesn't look capable of hurting a fly, let alone sucking the life out of someone. On the other hand, watching Dao wither away to nothing isn't an option. So if Sophie has to go vampire hunting, she'll do it. . . They are the Others--the vampires, mages, and werewolves once thought to exist only in our imaginations. Now they're stepping out of the shadows, and nothing in our world will ever be the same again. . . In A Town Like This, Being A P.I. Can Be Murder Shiarra Waynest's detective work was dangerous enough when her client base was strictly mortal. But ailing finances have forced her to accept a lucrative case that could save her firm--if it doesn't kill her first. Shiarra has signed on to work for a high-level mage to recover an ancient artifact owned by one of New York's most powerful vampires. NEVER TEMPT FATE It's been a hell of a day for Abby Barlow. In just a few hours, she's survived an explosion, watched her employer die, had a startling dream, and now she finds herself in a seedy Chicago hotel with the sexy, unearthly Dante, a man she both desires and fears. For 341 years, Dante has stood as guardian to The Chalice, a mortal woman chosen to hold back the darkness. A terrible twist of fate has now made Abby that woman. Three hours ago, Dante would have used all his charms to seduce her. Now she is his to protect. And he will do so until his very death. Drama. Scandal. Secrets. And a whole lot of supernatural goings-on. I'm Pureblood Were, And Proud Of It. . . "Where Darkness Lives" by Alexandra Ivy No one's more surprised than Sophia when she's struck by an unfamiliar maternal urge to move near her daughters. But instead of being greeted by a welcome committee, she's targeted by kidnapers. . . and saddled with a gorgeous bodyguard on a mission to protect--and seduce. . . I'm A Tomboy At Heart, But I Want A Man Who Makes Me Feel Like A Real Woman. . . "Murder on Mysteria Lane" by Angie Fox Kurzbeschreibung First Love Or First Bite? "Murder on Mysteria Lane" by Angie Fox Synopsis Although Sophie Hahn works as a paranormal researcher, she doesn't believe in ghosts, werewolves, or anything to do with the supernatural world. But when Sophie's boss is convinced that her best friend Dao is slowly being killed by a female vampire, her beliefs are put to the test. Sure Dao bears more than a passing resemblance to a walking skeleton, but his new wife doesn't look capable of hurting a fly let alone sucking the life out of someone. On the other hand, watching Dao wither away to nothing isn't an option. So if Sophie has to go vampire hunting, she'll do it... That's when Sophie meets sexy college professor and vampire Ric Vogel, who asks her to be a partner on his search for two ancient relics that have the power to end his people's suffering forever and save Dao. Sophie finds herself falling hard for Ric. What is she thinking by lusting after a vampire? Maybe he isn't a vampire. After all, she doesn't believe they exist. All she knows is that Ric's dark, seductive looks are very real and his love bites fell too good to resist. But is Sophie prepared to make the ultimate sacrifice for the vamp of her dreams?
