Von Whitney G. : Reasonable Doubt (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Reasonable Doubt (English Edition):

Kurzbeschreibung My cock has an appetite. A huge and very particular appetite: Blonde, curvy, and preferably not a

fucking liar...(Although, that's a story for another day.)As a high profile lawyer, I don't have time to waste on relationships, so I fulfill my needs by anonymously chatting and sleeping with women I meet online. My rules are simple: One dinner. One night. No repeats. This is only casual sex. Nothing more. Nothing less. At least it was , until "Alyssa"...She was supposed to be a 27 year old lawyer, a book hoarder, and completely unattractive. She was supposed to be someone I shared law advice with late at night, someone I could trust with details of my weekly escapades. But then she came into my firm for an interview--a college-intern interview, and everything fucking changed...**Book 1 in a three part Erotic Romance Serial.**KurzbeschreibungMy cock has an appetite.
