married. But that didn't stop Claire from falling in love with Jackson. And he might have had feelings for her too, but then something happened. Something that ended with Alice in a coma and with Claire leaving to go to college. Now, years later - Claire is a surgeon in New Haven, - when the call comes. It's Jackson - the first words she heard from him in ten years - and those words say that Alice has woken up from her coma. Claire is over the moon happy for her best friend, but she's the same amount scared to death. Because now, all those secrets she's been keeping for years, could and would be revealed....WHAT WILL HAPPEN TO ALICE JACK??? WILL THERE BE A CHANCE FOR A HEA??? WILL THERE BE A CLIFFHANGER??? NOPE . . . I'm not telling you ok....not too cliffhangerish ;)

I REALLY LOVED THIS BOOK! It was pretty short though :/ But book #2 will be here soon. We already know that Alice and Adam will get their own book. Adam is the neuro specialist doc assigned to Alice's case. The story was really cute and told both in the present and the past. What I didn't really understand is why Jack was gone for 10 years and now he wants Alice back. As if he was just gone for a few months or so... BUT, I still loved reading it and I can't wait to see what will happen in the second book. Everybody has some secrets left to tell....but I want them to get their HEA!!!! REAWAKENED SECRETS was a really cute and short second-chance romance...but there are still some secrets and lies to reveal!!! Can't wait for book #2

Kurzbeschreibung Some secrets should never be kept... Growing up in the servants quarters at Haven Hill, Claire Brown was a poor outcast, living in a world of money and privilege. Her only solace was best friend, Alice Sinclair, and secret desire, Jackson Montgomery. Rich and connected, they were perfect in every way and perfect for each other. Still, Claire was foolish enough to fall in love with Jackson, and desperate enough to hide it. When Alice found out, there was a terrible accident that left her in a coma. Jackson disappeared, leaving New Haven without even saying good-bye. Ten years later, Claire has managed to build a life without them. So when Jackson calls out of nowhere to say Alice is awake, Claire's first thought is Thank God. Her second? Im screwed. Lusting after Jackson destroyed her. Its nothing compared to what shes hiding now. But nothing stays hidden forever. Reawakened Secrets is part one of Jackson and Claire's story. Part 2, Reawakened Sins and Part 3, Reawakened Seduction will be released in early 2016. Warning: This book contains adult language and sexual situations. ber den Autor und weitere Mitwirkende My name is Mari Denae I am a married mother of three and publishing my first novel is a dream come true. As the nerd that went to bed with a flash light to read the books I swiped from my moms room, I have always been an avid book lover. My favorites are hot, alpha male heroes (think Kristen Ashley), suspenseful, romantic thrillers (think Sandra Brown) and poignant, sweet love stories (think Abbi Glines or Colleen Hoover). My plan was always to be a writer of some sort, but somehow real life responsibilities got in the way. Now, I am an accountant with a night time writing obsession. One Saturday afternoon, I took my girls to see the latest teenage movie. Four days later, I had read all four Twilight books. I was inspired by the innocent romance and 'Edward Cullen' (don't judge). Once I found my way to Fifty Shades of Grey, I was a complete goner. All my spare time was spent reading, writing or blogging. After version one million, five hundred and fifty five of my series Reawakened , I'm finally ready to share it and hope that someone enjoys reading the story as much as I have enjoyed writing it. This one's for my mother. I hope she's looking down proud because I finally finished what I started.
