Von Carolin Jachei'm a fan of the wicked inked-series. so rebel ink was a no-brainer for me.i have to admit, that i started to doubt my decision somewhere around 50-60% into the book. because even though this book starts hot and i know it is only a novella, i had the impression, that this story was only about vincent. yeah, i love this

dude, he's sexy as hell with his crude side and everythin' - but the turn this book took was maybe a little bit too much for such a quick read. it surely is a tricky job to get a good storyline and enough sexy time into a novella - and i sort of began to think that the author didn't nail it this time. but somewhere around the 80% mark, the whole romance aspect took a good turn and the story became a very swoon-worthy romance after all... the author has an uncanny talent for that, i guess :-)another thing i'd like to mention is, that the female mc, lisa, was a really likable character, a cool chic - and that made the whole story even better!!!so, i didn't love it as much as the first two books in this series, but i'd recommend it non-the-less. a good novella with just the right amount emotion, sexy and angst - go for it ;-) i maybe have to mention here, that the writing is like the two mc's: crude, badass and cocky. i myself swear like a sailor, so no prob with that, but if you are sensitive in this regard, you might first want to try the sample...i give rebel ink 4 stars! :-)

Kurzbeschreibung\*\*This is a New Adult book - Intended for 17+ VincentHot chicks and cool ink have been my life, my everything, for the past five years. But with one phone call that bliss is totally shot to shit. Dont want to hear it. Dont want to deal with it. But oh yeah, its coming for me. The motherfucking past. And whos along for the ride? Youre never gonna believe it. Thats right, another blast from my past. The one and only rejection. Blondie. Heymaybe its not all bad. Maybe I can finally get her - legs up and back to the mattress, that is.LisaYes, Im getting married. And yes, its to Buttons. Im not embarrassed and I dont think its a failure. Unfortunately, my bestie doesnt agree. In fact, she thinks she has to rescue me. But ladies and gents, Im beyond help. Im cooked. I just want to fade into the Santa Barbaras overly polished woodwork. If only a gorgeous tatted, foul-mouthed problem from my past would stop showing up and showing off what Im never going to allow myself to have.
