Courtesy of Teens Read TooVon TeensReadTooNOTORIOUS contains more scandalous activity than a grocery store tabloid and is a far better read. Tinsley, Callie, and Brett were all best friends in room 303, living life at the top of the social

food chain at Waverly Academy, until Tinsley is expelled and is replaced with another roommate, Jenny. Somehow Tinsley manages to gain re-admittance and quickly springs back into action, stirring things up with the new girl--and everyone else for that matter. Jenny desperately wants to gain Tinsley's acceptance and finally be a part of the popular crowd, but along the way she begins to wonder what price she will have to pay for the life she dreamed of. To make matters worse she falls, hard, for Callie's estranged boyfriend, Easy, and is forced to choose between the boy she thinks she loves and her new friends. The Waverly student body dresses in a wardrobe that will have every Sex in the City fan aching with jealousy and behaves in ways that would make Paris Hilton proud! Everything is described in perfect detail, and while some of the situations may seem a little far-fetched to the average reader, the thoughts and dialogue in the book are perfect. Although it is the second book in the series, you can quickly pick up where the story left off, and the characters are developed so completely that it feels as though you know their pasts already... or do you? The story ends in a way that will leave readers dying for the next book in the series and yet ties up most of the story lines contained in NOTORIOUS. Be prepared, though, because this is a hard book to put down! Reviewed by: Allison M. Rotonda 0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read Too Von TeensReadToo Jenny Humphrey has had nothing but boys chasing after her since she began attending Waverly Academy. Namely, the three hottest guys on campus! And one of them happens to be her current boyfriend, the sexy-manly-artist Easy Walsh. Who just happens to be her roommate, Callie's, ex-boyfriend, who still likes him. And with gossip like that, Tinsley had to start drama and tell Callie. So the two roommates have done nothing but ignore and avoid each other for a long time. But Easy does something not good behind Jenny's back. What does he do? Will Callie and Jenny ever be friends? What stunt will Tinsley pull next? Well, you are just going to have to read this book to find out! With every new IT GIRL book I read, I love Jenny a little more, and hate Tinsley a little more. Mrs. von Ziegesar has created characters that will keep you on your toes, and dying to know what will happen next! Reviewed by: Taylor Rector 9 von 12 Kunden fanden die folgende Rezension hilfreich. Wow-wieder ein gelungenes Buch von Cecily Ziegesar! Von Sabrina Steinmetz Als ich die Gossip Girl Romane gelesen habe, bin ich durch Zufall auf das Buch the it girl gestoen! Ich habe es verschlungen, dass es auf Englisch wa, war kein Problem, selbst wenn man nicht alle Wrter versteht, kann man sich trotzdem ins Geschehen hineinverstetzen! Das ist nun schon das zweite Buch der it girl Serie! Immernoch steht Jenny Humphrey und ihre Zimmergenossinnen Brett und Callie im Vordergrund. Mit einer kleinen nderung, Tinsley ist zurck, die berchtigt dafr ist alles zu geben. Knnen sich alle im Internat behaupten oder werden sie sich die Augen auskratzen? Ihr werdet's sehen!

Kurzbeschreibung Jenny was totally enjoying the attention of the three hottest guys on campus. But she's ecstatic now that she's bagged arty Easy Walsh as her boyfriend. Unfortunately he used to belong to someone else... Jenny's roommate: gorgeous, popular Callie Vernon. It doesn't take long for Tinsley to use this to her advantage and soon the girls are split across enemy lines. But all's fair in love and war, and Tinsley better hope that the one secret she's managed to keep hidden for years doesn't get revealed... Who knew boarding school could be this good?
