Von Jenika Snow : Reckless (The Sons Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Reckless (The Sons Book 1) (English Edition):

Kurzbeschreibung Marcus wants Corin, but his hands are covered in blood, his soul dark. He isnt a good man, but he

can also see her home life is rocky, and she has a wall around herself. Part of him wants to be good for her. Corin's life changed five years ago. She's a loner, and has isolated herself. And then she meets a hardened biker, one that defends her even though she means nothing to him. He's rough around the edges, coarse, and a little scary but he's all she can think about. Being the son of The Brothers of Menace VP means Marcus is used to the gritty world of violence and death. But even if Corin is too good for him he still wants her for himself. He doesn't know if she fully knows that giving herself to him means she is his irrevocably. Kurzbeschreibung Marcus wants Corin, but his hands are covered in blood, his soul dark.
