Enjoyable but incompleteVon Helen HancoxKell Jameson is a hugely successful defence lawyer, independent and

smart, who has made something of herself since her youth as an orphan living in rural Georgia. Eliza, when the lady who brought her up, contacts Kell for help, Kell responds immediately and travels to Hallden to help investigate a murder. Eliza knows that there's a lot of evidence that suggests she killed drug dealer Clay Griffin, and indeed she visited him the night he died, but she didn't actually kill him. When Kell arrives in Hallden she bumps into the Sheriff, Luke Calder, and there's an instant attraction. However Kell can't be open with him and has to lie on occasion to protect her client - can they have a future when it's hard to trust each other. Luke and Kell, searching for evidence to clear Eliza, start to uncover something very big. Luke's also finding the local Police Chief Graves causing him difficulties over jurisdiction. Can Kell keep Eliza safe, can Luke persuade Kell to trust him, can they find out what really happened? This book was well written with a good plot and a variety of characters. Kell herself was often difficult to like, although that didn't seem a problem for Sheriff Luke Calder. The mixture of courtroom stuff, police investigation and romance was well balanced and interesting. However I was very disappointed, at the end of the book, to discover that the story was in no way rounded off; I understand the author is writing more books about these events from the viewpoints of Kell's friends but it meant that this story seemed just stop with minimal resolution. It was a disappointment after the events appeared to be leading up to a grand showdown with the underlying events being revealed. There were also one or two plot unlikelihoods, such as Kell and the Sheriff stumbling on a secret location important to the story and also a potential client of Kell's keeping faith with her and agreeing to pay her more when she's significantly messed about by Kell. Overall I enjoyed this book but was very disappointed that the story didn't adequately conclude and would have appreciated some hint of this on the back cover. Kurzbeschreibung Independent, stunning, and smart, Kell Jameson has the life she's always dreamed about. A partner at a tony Atlanta law firm that represents famous if guilty clients, she's far from her days as a lonely orphan in rural Georgia. But one frantic phone call will bring her back to the place she's spent years trying to escape. The head of her childhood orphanage has been accused of murder, and Kell is her only hope for freedom. From the first moment Kell meets Sheriff Luke Calder, tempers and attraction flare. Ruggedly handsome and a stickler for law and order, Luke finds Kell compelling. Unfortunately, she represents his prime suspect. Forced to work together, they dig deep into the town's scandals . . . but Kell has a secret of her own. She trusts Luke enough to fall in love but does she trust him enough to reveal the reckless past she's worked so hard to keep hidden? Kurzbeschreibung Independent, stunning, and smart, Kell Jameson has the life she's always dreamed about. But one frantic phone call will bring her back to the place she's spent years trying to escape. The head of her childhood orphanage has been accused of murder, and Kell is her only hope for freedom. From the first moment Kell meets Sheriff Luke Calder, tempers and attraction flare. Ruggedly handsome and a stickler for law and order, Luke finds Kell compelling. Unfortunately, she represents his prime suspect. Forced to work together, they dig deep into the town's scandals . . . but Kell has a secret of her own. She trusts Luke enough to fall in love but does she trust him enough to reveal the reckless past she's worked so hard to keep hidden? Synopsis Kell Jameson has made a cushy life for herself as a big city lawyer, putting her less-than-auspicious past behind her. But, all her secrets could be exposed when the orphanage where she grew up contacts her. Asked to defend two teenagers who remind her so much of her younger self, Kell has no choice but to give her all to this case, even if it shakes up the world she's worked so hard to build. With the help of Detective Luke Candors, Kell is determined to free her clients - but will it mean that she must open herself up to a man who will settle for nothing less than the absolute truth?
