Von A. Meredith Walters : Reclaiming the Sand (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Reclaiming the Sand (English Edition):

KurzbeschreibungFrom the New York Times and USA Today Bestselling author of Find You in the Dark and Bad

Rep comes a story of forgiveness, redemption and finding love in the most unlikely of places. Bully and victim. Tormenter and tormented. Villain and hero. Ellie McCallum was a bully. No connection to anyone or anything. A sad and lonely existence for a young woman who had come to expect nothing more for herself. Her only happiness coming from making others miserable. Particularly Freaky Flynn. Flynn Hendrick lived a life completely disconnected even as he struggled to become something more than that boy with Asperger's. He was taunted and teased, bearing the brunt of systematic and calculated cruelty, ultimately culminating in a catastrophic turn of events that brought Ellie and Flynn's worlds crashing down. But then Flynn and Ellie grew up. And moved on. Until years later when their paths unexpectedly cross again and the bully and the freak are face to face once more. When labels come to define you, finding yourself feels impossible. Particularly for two people disconnected from the world who inexplicably find a connection in each other. And out of the wreckage of their tragic beginnings, an unlikely love story unfolds. But a painful past doesn't always want to let go. And old wounds are never truly healed and sometimes the further you try to run from yourself the closer you come to who you really are.
