Von Caitlin Sinead : Red Blooded before purchasing it in order to gage whether or not it would be worth my time, and all praised Red Blooded:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A lot more than romance!Von LauraI really, really enjoyed this book! The passages from Richard are absolute highlights for me. I loved them and would happily read an entire Richard book. I also loved the inclusivity in terms of characters.

Peyton's friend Tristan is a stand out. The behind-the-scenes information about politics and especially the politicians themselves were really good, and the story's ending was perfect. If you're looking for a book with a lot more to the plot than just a romance, this is it!

Kurzbeschreibung Instead of eating ramen and meeting frat guys like most college freshmen, Peyton Arthur is on the campaign trail. Traveling with her mother, the Democratic pick for vice president, she's ordering room service, sneaking glances at cute campaign intern Dylan and deflecting interview questions about the tragic loss of her father. But when a reporter questions her paternity, her world goes into a tailspin. Dylan left Yale and joined the campaign to make a difference, not keep tabs on some girl. But with the paternity scandal blowing up and Peyton asking questions, he's been tasked to watch her every move. As he gets to know the real Peyton, he finds it harder and harder to keep a professional distance. When the media demands a story, Peyton and Dylan give them one a fake relationship. As they work together to investigate the rumors about her real father and Peyton gets closer to learning the truth, she's also getting closer to Dylan. And suddenly, it's not just her past on the line anymore. It's her heart. 72,000
