Von Marjorie Farrell : Red, Red Rose (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Red, Red Rose (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. If you like Richard Sharpe you will love Lt. Val AstonVon Jody Allen (morgay@execpc.com)The story is really from the pov of the hero Valentine Aston, who is the natural son of an Earl. The prologue is quite long but it helps to understand this dishy hero. The time setting is early in the Peninsular war as Wellington and his troops are trying to push the French from Portugal. The heroine is wonderful as well as she helps him to come to grips with who he is and how to love. There is quite a good story here and though I did figure out what was going on early I loved how the author spun the tale as our wonderful hero Val grew to understand love and what it meant to be loved. Ms Farrell's ability to show the transformation was quite good. There were great secondary characters but they never took over. She even added a bit of humor with the hero and a piglet. If you like the regency period but want a story that has

messages for today this is one that you should check out. This one moved me to tears more than once.0 von 0 Kunden fanden die folgende Rezension hilfreich. Romance, History, Suspense Von Joan A. Curtin The period of the Napoleonic Wars provides fertile ground for writers and readers of Regency Novels. If I have one complaint about the genre in general, it is that the history is usually relegated to background status. It was refreshing to read a novel where the characters were a part of history. And kudos to Marjorie Farrell for excellent research! The romance between Val and Elspeth was realistic and touching; you really ached for them to realize that they were perfect for each other. The secondary characters were equally involving, and the espionage subplot drew the reader deep into the dilemma Val faced in exposing the traitor. I recommend Red, Red Rose to readers who like a dose of history and mystery with their romance. I look forward to reading Marjorie Farrell's next book. (I hope she lets us know a little more about Elspeth and Val as they march through the long years of war in the Peninsula).0 von 0 Kunden fanden die folgende Rezension hilfreich. What a wonderful book! Von Ein Kunde Whe I finished this book, I was sobbing so loudly everyone in the house was convinced somebody has just died. This book is so wonderful! I cried, I laughed, and I closed this book with an intention to reread it again and again. Val is probably the sweetest and nicest hero ever, and it is a pleasure to read about such a noble hero. This book is heavy in military tactics, but Ms Farrell manages to sustain my interest. In fact, this book is a moving tribute to the casualties of war, the healing power of love, and the triumph of the human soul over darkness. Books like this one make romance reading a pleasure. Thank you Ms Farrell!

Kurzbeschreibung Unconventional Elspeth Gordon followed the drum because her father was an officer in the Napoleonic wars. But when her carriage was attacked by ruthless Spanish bandits, it was Lieutenant Val Aston who rescued her. Though Elspeth fell in love with Val, he was a man of honor who considered his birth far beneath hers though he, too, found his heart captured by Elspeth.
