**Von Richard Bradford : Red Sky at Morning: A Novel (Perennial Classics)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Red Sky at Morning: A Novel (Perennial Classics):

KurzbeschreibungThe classic coming-of-age story set during World War II about the enduring spirit of youth and the

values in life that count. Pressestimmen "A sort of "Catcher in the Rye" out West... What makes the book a true delight is the deadpan, irreverent humor with which Josh tells the story... No brief review can do justice to Mr. Bradford's book."-- "Washington Post Book World" "Bradford believes in the human comedy the way DiMaggio believes in baseball, the way Nureyev believes in the dance, the way people, no matter what, believe in laughing when they might just as well be weeping."-- Richard Condon "Zaniness is the keynote for the book, which can be read without boredom, mainly because the author is a charmer in delineating incidents in concrete, specific detail."-- "Best sellers" Kurzbeschreibung The classic coming-of-age story set during World War II about the enduring spirit of youth and the values in life that count.
