Von Anne McCaffrey : Red Star Rising: More Chronicles Of Pern: 14 (The Dragon Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Red Star Rising: More Chronicles Of Pern: 14 (The Dragon Books):

KundenrezensionenHilfreichste Kundenrezensionen9 von 11 Kunden fanden die folgende Rezension hilfreich. as excellent as the rest of the seriesVon Ein KundeThe book is as spell binding as all the other books of the "dragonriders of pern" series. It's only loosely connected with the rest of the series, as it tells about the second pass, in the early days of Pern. So don't expect to meet any of your favorite characters from the other books.Although you know none of the main characters beforehand, they come to live as easily as ever due to Anne McCaffrey's writing style. Several storylines are separately started and carefully interwoven to a concerted climax.0 von 0 Kunden fanden die folgende Rezension hilfreich. tolles BuchVon Annette JochIn diesem Buch werden die Anfänge der Siedler auf Pern geschildert und wie die Drachen entstanden.Ein Muss für jeden Fan.0 von 0 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungFor two hundred years there had been peace on Pern - but now the signs were ominous. Violent weather storms and erupting volcanos heralded the coming of the second Pass of Thread, when the red planet would rain down its horrifying harvest which destroyed every living organism on the face of Pern. No human or dragon or animal or plant was safe from the hideous death inflicted by Thread.Weyrs and Holds tried to prepare, but they had serious problems. Over the generations much of the old technology had been lost. AIVAS, the giant information bank, was buried under tons of volcanic ash, and valuable and skilled men and women had succumbed to disease and old age, taking with them the knowledge of a great civilization.They had to prepare as best they could, training the great flights of dragons and ensuring that the Lord Holders did their part by protecting their people in every possible way. Only Lord Chalkin, Holder of Bitra, refused to co-operate. He did not believe in Threadfall. It was a plot of the Weyrs to gain ascendancy over the Holds. He would do nothing to protect Bitra or its people. The Lord Holders and Weyrleaders were of one accord. Chalkin must be impeached and removed from his lands if the planet was to be made safe.WerbetextA spellbinding new chronicle of Pern.KurzbeschreibungFor two hundred years there had been peace on Pern - but now the signs were ominous.
