Von Tanith Lee : Red Unicorn (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Red Unicorn (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Sigh, It's Not The SameVon Jessica (tellarren@yahoo.com)I dunno, I was very disappointed in this one. I LOVED Black Unicorn, and I thought Gold Unicorn was excellent, but the plot of Red Unicorn just left me... a bit cold. Instead of going into an alternate reality, Tanaquil could have done a lot of what she did in the "real" world instead, and I might have enjoyed it more.I think what annoyed me about the book was that it had alter-characters(?) in another dimension

of all the real characters back in Tanaquil's world. It didn't seem necessary. The whole thing wasn't able to hold me. Plus, for some reason, the writing style seemed lonely and isolated, perhaps because Tanaquil herself was isolated in a way throughout the entire book. What I really want, altogether, and which will probably not happen, is for Tanaquil to interact more with characters and to have her own adventures. However, not much can stand up to the original, and Tanith Lee writes in a way that doesn't follow the roads quite right-on, but sideways. Her story seems to have it all, but something is not quite right. The characters are not typical, the situations would appear to be almost typical but then veer sharply away. Altogether, this is a wonderful style to read, and I'd normally be happy, but something doesn't come quite all the way through, as if Tanith Lee was getting somewhere, then stopped in the middle of the road.

Gold Unicorn, the second book, was awesome and had me eagerly anticipating the next. Tanaquil is an intriguing, challenging character, easy to relate to, making any book with her presence instantly interesting. But Red Unicorn was something of a let-down. In concept, the idea of Tanaquil visiting an alternative version of her own world after being in versions of paradise and hell was brilliant. Yet somehow Lee didn't execute Red Unicorn with her usual level of skill. I found myself wanting Tanaquil to get her adventures with her double, Tanakil, over with so I could find out what happened to Honj, and when he did appear, the end result was unsatisfying. However, if you did read and enjoy Black Unicorn and Gold Unicorn, it's definitely worth a read, if not quite as good of a read as the previous books.

I had never heard of Tanith but, of the few weeks it took me to read it I was so amazed. I never did like to read but after I had read Red Unicorn I now can't keep my eyes out of my books. In my reading class I am receiving an A thanks to Tanith Lee. If he hadn't wrote this book I would probably be getting an F on my book report and Reading class. Again I thank you and I will soon read many of your other books. God has given you a great gift. Don't be afraid to use it.

Kurzbeschreibung Felling neglected because her sorceress mother is enamored with a flamboyant magician and her sister, Empress Lizra, is infatuated with her own true love, Tanaquil is drawn into another world in which her mirror self is plotting to murder her sister.

SUMMARY: The enchanting, magical sequel to The Black Unicorn and The Gold Unicorn! After several years traveling, Tanaquil a sorceress like her mother with the ability to mend returns home only to discover that her true love has been betrothed to her sister, Empress Lizra. Broken-hearted and jealous of her sister's happiness, Tanaquil is lured by a red unicorn into a mirror world where she encounters Tanakil, a diabolical version of herself. She discovers also several new powers. Powers she will need to foil Tanakil's sinister plot of revenge.

Pressestimmen "Lavish, whimsical dreamscapes reminiscent of Lewis Carroll. Lee's charming exuberance is everywhere in evidence, no more so than in Tanaquil's familiar, a wonderfully comic, cavorting beast." -- "Publishers Weekly" "Lee's language is lyrical and her setting is fantastical. Tanaquil is a good role model for any young girl struggling with love, relationships or parents." "The San Diego Union-Tribune" "Lavish, whimsical dreamscapes reminiscent of Lewis Carroll.
