Endlich eine Erik würdige Fortsetzung der StoryVon TrumerinAls großer "Phan" der Geschichte des Phantoms habe ich bereits viele Bücher zu diesem Thema gelesen. Die meisten sind bemüht, aber grottenschlecht. Anders diese Geschichte.Die Story schließt an die bekannte Geschichte zwischen Erik und Christine an. Erik lebt allein als Architekt und Komponist. Eines Nachts findet er eine schwerverletzte Frau und bringt sie in seine Wohnung unter der Oper, jedoch eine andere als er damals mit Christine bewohnte. Die Geschichte beginnt und jeder weiß, wo sie enden muß....Die Autorin schafft es wunderbare Charaktere zu erschaffen, insbesondere Erik erscheint als großartiger, starker Mann ohne heulende Bittanflehen oder wutende Mordserien. Er ist glaubhaft, liebt, wirkt aber nie affig. Caitlyn ist die starke Frau, die endlich den großartigen Mann in Erik sieht und ihm in allen Bereichen eine würdige Partnerin ist.Sicher manchmal etwas viel Zufall im Verlauf der Geschichte, einige Charaktere sind zu schwarzweiß, aber die Geschichte hat mich von der ersten bis zur letzten Seite gefesselt und ich werde sie sicher nochmals lesen.0 von 0 Kunden fanden die folgende Rezension hilfreich. Great story !Von gabyCould not put it down ... marvelous read ! Charming, thrilling, even sexy (!) ... a happy ending for Erik and his new love ...

KurzbeschreibungOne man's mask hides a deformed face out of shame. Another man's beautiful face masks a true monster. Time has passed since Phantom Erik's face was revealed on stage by Christine Daa. Most believe he's dead, but far beneath the Paris Opera he lives in secret, alone. Free from morphine's grip, just as he's preparing to begin a private life above, fate deals an unexpected hand in the guise of a woman in need. Alone and desperate to leave an abusive marriage, classically trained pianist Caitlin Chesnier escapes to the only refuge she knows. With plans in place to start a new life, she's able to breathe easily for the first time in years. But her husband Lucien is violent and manipulative, and he'll stop at nothing to see that she pays for her defiance. Keeping Caitlin safe is no easy task, but along the way, Erik learns that trust, compassion, and love make more beautiful music than loneliness and solitude. Still, he knows too well that monsters are resilient. With more to lose than ever before, he must decide how to fight an evil greater than any he's known.KurzbeschreibungOne man's mask hides a deformed face out of shame.
