Netter ZeitvertreibVon Kindle-KundeIch mchte das Buch sehr gern, auch wenn mir die weibliche Hauptfigur manchmal etwas sehr auf den Nerv ging.Es ist eine Sache, sich vorzunehmen, nur reich zu heiraten , weil man als Kind sehr arm

aufgewachsen ist. Eine andere jemanden auszunutzen, bis etwas besseres kommt, auch wenn die mnliche Hauptfigur damit einverstanden ist. Liegt aber vielleicht auch nur an meinen Moralvorstellungen.1 von 2 Kunden fanden die folgende Rezension hilfreich. aus alt mach neuVon emmainteressanter ansatz. reeds geheimnis schimmert schon bei der ersten begegnung auf, nur der grund fr seine verschlossenheit lsst fragen offen. (mehr darber in bd3 "business as usual") interessant vor allem, wie der hnliche hintergrund bei caroline und scarlett aus bd1 ("after math") so unterschiedliche auswirkungen auf ihre persnlichkeiten hat.sehr gut geschrieben und mehr als nur ein seichter liebesroman0 von 0 Kunden fanden die folgende Rezension hilfreich. sweet love storyVon LinamaThis was a very sweet love story, which I really enjoyed very much. I'm looking forward to reading Lexi's story.

KurzbeschreibungBook Two in the USA TODAY bestselling Off the Subject seriesWhile fashion design major Caroline Hunter may have been born economically unlucky, in college, shes been lucky in love. Until her senior year at Southern University. Shes gone from a serious long term boyfriend to a string of crappy dates.Then she meets mathematics grad student Reed Pendergraft. Reed is everything shes not looking for. Serious. Headed for a low paying university job. Boring. Caroline spent the first eighteen years of her life wondering where her next meal was coming from. She sure wasnt getting trapped in that life again with a man living on a professors salary. An encounter with Reed in a club proves she might have pegged him wrong. He brings out a lusty side she never knew she had. But just when shes about to give in to her hormones, Reed makes a fool out of her. When she shows up for the first committee meeting for Southern Universitys Fall fashion show, a fundraiser for underprivileged kids, Carolines horrified to discover the insufferable Reed is the committee chairman. While she refuses to tolerate his totalitarian rule of the committee, shes not sure shell survive the month with her heartand her prideintact. Just when she thinks she has everything figured out, she finds that her entire life has been redesigned, thanks to Reed Pendergraft.Off the Subject series (stand alone books)AFTER MATH (Scarlett's story)REDESIGNED (Caroline's story)BUSINESS AS USUAL (Lexi's story)KurzbeschreibungBook Two in the USA TODAY bestselling Off the Subject seriesWhile fashion design major Caroline Hunter may have been born economically unlucky, in college, shes been lucky in love. Then she became a nomadic gypsy, living in five cities, four states and ten houses over the course of ten years before she moved back to her roots. She speaks English and smattering of Spanish and Chinese which she learned through an intensive Nick Jr. immersion period. Her hobbies include witty Facebook comments (in own her mind) and dancing in her kitchen with her children. (Quite badly if you believe her offspring.) Hidden talents include the gift of justification and the ability to drink massive amounts of caffeine and still fall asleep within in two minutes. Her lack of the sense of smell allows her to perform many unspeakable tasks. She has six children and hasnt lost her sanity. Or so she leads you to believe.
