Von Anna Hackett : Reed: Scifi Alien Invasion Romance (Hell Squad Book 4) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Reed: Scifi Alien Invasion Romance (Hell Squad Book 4) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. great futuristic adventure Von natoule Lots of action and strong emotions in perfect writing. I love the way these survivors

protect each other and make the best of a terrible situation. Can't wait for the next episode! Anna Hackett is one of the best authors I have had the pleasure of reading so far. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Perfect!! Von Ela Smith Another very good book of Anna. As she hoped, the change of the messed up character worked out very nicely, even if the man needs help, too. Can't wait to read the next one.

Kurzbeschreibung In the aftermath of a deadly alien invasion, a band of survivors fights on... As part of Hell Squad, former Coalition Navy SEAL Reed MacKinnon fights for humanity's freedom from the alien invaders. He also fights for his brown-eyed girl--the woman he rescued from the aliens' secret laboratory. He admires her quiet strength and will to survive, not to mention her elfin looks and curvy body...but he knows he has to keep his distance. She's nowhere near ready for what he has to offer and he'll protect her from everything, even his own powerful desires. Energy scientist Natalya Vasin has lived through hell. Still struggling after her captivity, scarred by the aliens' experimentation, all she wants is to be normal again...and she wants Reed MacKinnon. But the rugged soldier is holding back, treating her like glass, and she won't accept that from anybody. As Reed and Natalya wage a sensual battle of desires, they also work together to decipher a mysterious alien energy cube. Hell Squad need Natalya's expertise and they need her to go back into alien territory to use it. But on a mission to destroy an alien outpost, secrets are uncovered--of what the raptors really did to Natalya. Secrets that mean the future she wants with Reed is just an impossible dream. **Note to readers:** This sci fi romance contains a lot of action (think invading aliens, explosions and gunfights), tough warriors (the sexy, battle-hardened soldiers of Hell Squad) and a steamy romance (lots of sexy times between a tough Navy SEAL and a smart scientist). So if you like it fast, and gritty, and sexy, this is for you! **Includes a preview of Hell Squad: Roth.**
Q A with the Author
Q - How would you describe the Hell Squad series?**A - Tough, alpha soldiers battling invading aliens. Hell Squad is science fiction romance with a dose of post-apocalyptic grit and a serve of military romance. There is lots of action, adventure and romance. But even in the middle of a fight for survival, the series is focused on hope, friends, family and love. Hell Squad has been one of my bestselling series and I'm thrilled the Hell Squad gang have so many fans.**
Q - Why did you want to write the series?**A - I love action, adventure and romance. And I love science fiction romance and all the endless possibilities. I also wanted to write something that was a little darker and grittier than my more adventure-filled series, the Phoenix Adventures. Then I had this image of a former society party girl wearing fatigues squaring off with a scarred, battle-hardened soldier and Hell Squad was born. I'd intended it to be a single story...but the Hell Squad soldiers had other ideas and literally came to life as I wrote the first book!**
Q - What order should I read the books in?**A - All the Hell Squad books have stand-alone romances in them but the action arc of the invading aliens grows with each book. Many readers have entered the series with later books and they haven't been lost, but, characters from the early stories do appear in later books and I really think it adds something to the reading experience to read them in order. Here's the order I suggest:- Marcus**
