Von M.C. Beaton : Refining Felicity (School for Manners) before purchasing it in order to gage whether or not it would be worth my time, and all praised Refining Felicity (School for Manners):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice regency novelVon busylizzyThat was a fun, easy read. 2 quirky spinsters find themselves without the inheritance they had hoped for, so they have to come up with a game plan (or better, a plan B, as plan A is still marriage for

themselves). They place an advertisement in the paper and offer their skills as chaperones for wild, difficult daughters - refining them and hopefully finding a husband at the end of the season. Their first assignment is Felicity, who has always behaved more like the boy her father wanted...This is book one of the series, set in Regency times. Amy and Effy, the two spinsters, are hilarious in their eccentric ways, but there is also a kind of sadness in their (especially Effy's) delusion of being still young and beautiful.0 von 0 Kunden fanden die folgende Rezension hilfreich. Ganz nettVon English readerThe book is a simple romance, the end is clear from the beginning. Nothing too serious but a nice read to relax with.

KurzbeschreibungThe first book in M.C. Beaton's charming School for Manners series.'If you have a Wild, Unruly, or Undisciplined Daughter, two Ladies of Genteel Birth offer to Bring Out said Daughter and Refine what may have seemed Unrefinable. We can make the Best of the Worst'When Amy and Effie Tribble, two charming but impoverished spinster sisters, lose out on an inheritance, they place this advertisement in The Morning Post and hire themselves out as professional chaperones. Vowing to prepare even the most difficult misses for marriage, the Tribble sisters will spend a London season on each client, educating them in their School for Manners.Felicity Baronsheath, their first assignment, turns out to be more of a challenge than they could have ever imagined. Not only is Felicity indifferent to the idea of marriage, she is also a spoilt brat! And when, despite their best endeavours, Felicity insists on remaining unrefined and hoydenish, the Tribbles begin to fear that her season - and their new business venture - will end in disaster.The School for Manners series follows these two stalwart spinsters as they undertake enterprises of matchmaking and navigate the troublesome machinations of the London marriage mart.'Romance fans are in for a treat' - Booklist'[M. C. Beaton] is the best of the Regency writers' - Kirkus sPressestimmenNicely atmospheric, most notable for its gentle humour and adventurous spirit (Publishers Weekly)A delightful tale... romance fans are in for a treat (Booklist)(M C Beaton) is the best of the Regency writers (Kirkus s)WerbetextDelightful Regency romance from the author of the Agatha Raisin series; now a major new drama from Sky 1
