Von Jennifer Ashley : Regency Pirates: The Pirate Next Door (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Regency Pirates: The Pirate Next Door (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. yo ho ho and stiff upper lip!!Von Deborah MacgillivrayJennifer Ashley really impressed me with her debut novel Perils of the Heart last November, and continues to do so with her second novel The Pirate Next Door. I am sure the eye-catching

novel cover will cause many to pick it up, but the story inside is what is the prize. It is a slightly whimsical romance that finds windowed Lady Alexandra Alastair pondering the list of candidates for hubby number two. She is rather bored with the stodgy ton's offerings, when in pops Grayson Finley and his twelve year old daughter, the new Viscount oh so conveniently next door! 12 years ago, he caused quite a stir by vanishing, and ever since spent that time with the scurvy crew of cutthroats and buccaneers. Now he has returned, with an adorable daughter in tow, to claim his inheritance. But the pirate life has not quite ended, as it follows him to the fancy Mayfair section of Britain threatening his very life. Alexandra is not a wimp, a proper lady yes, but not lacking in spine. She falls for Grayson and his daughter, and is determined to fight for her Viscount. It's stylish, fun and with just enough dash and mystery to keep the readers more than intrigued.

Amsantes Piraten-Abenteuer Von LoveLetter Magazin London, 1810: Grayson Finley, Viscount Stoke, der neue Nachbar der jungen Witwe Alexandra Alastair, ist alles andere als der typische Mann auf ihrer Liste von akzeptablen Heiratskandidaten. Nachdem sie ihn gerade noch vor seinem Erzfeind Ardmore retten konnte, der ihn erhenen wollte, entdeckt Alexandra, dass der Viscount nicht nur eine kleine Tochter, sondern auch eine Vergangenheit als Pirat hat. Trotz dieser Tatsachen kann Alexandra sich einfach nicht von ihm fernhalten. Zumal Grayson ohne sie von einem Unglck ins nchste zu strzen scheint. Der charismatische Pirat und die aristokratische Lady verlieben sich schlielich Hals ber Kopf ineinander, und Alexandra muss sich eingestehen, dass sie ihr wohlsituiertes Leben nur zu gerne gegen ihren Geliebten und sein abenteuerliches Leben eintauschen wrde ... Jennifer Ashley entfacht ein wahres Feuerwerk an Abenteuer, frechen Dialogen und sinnlichen Liebesszenen. Die in ihrer frheren Ehe zutiefst verletzte Alexandra blht unter der Zrtlichkeit und Liebe von Grayson frmlich auf. Trotz ihres Schicksals wird langsam aber sicher ihre abenteuerlustige Seite offenbart, dies gelingt der Autorin sehr glaubwrdig, mit viel Charme und Witz. Alexandras Intelligenz und Warmherzigkeit machen sie zu einer liebenswerten Heldin, und auch Grayson lsst mit seiner fr einen Piraten so typischen Lssigkeit und seiner feinfhigen Art jedes Leserherz hher schlagen. Die funkensprhenden Wortduelle des Paares und die teilweise mit wunderbar trockenem Humor gesegneten Nebenfiguren (z.B. Lady Featherstone) machen aus "The Pirate Next Door" ein wahres Highlight. Jennifer Ashley ist eine Bereicherung fr das Genre des Piraten-Liebesromans. (StS) 0 von 0 Kunden fanden die folgende Rezension hilfreich. relaxing read! Von Sally Graham it was a better read than I expected. the characters were interestingly set and more than once I found myself trying to keep in my laughter lit id a little clich from time to time, but it mixes well with the setting so that it doesnt seem over the top- I bought it because I needed an easy read and because Game of Thrones books are just to heavy to travel with and I must say that it was money well spent

Kurzbeschreibung Mayfair, London, 1810: Alexandra Alastair, a respectable young English widow, wonders if she dare add the new viscount whos moved in next door to her list of potential husbands. He certainly doesnt look like the gentlemen on her list Grayson Finley, Viscount Stoke, is tall and sun-bronzed, muscular and blue-eyed. He wears dress so casual as to be unclothed long coats, leather breeches, shirts without collar or cravat, and he carries pistols wherever he goes. The men who attend him are just as strange, exotic-looking, even. And the way Grayson smiles at Alexandra whenever they pass in the streets inful, blood-warming turns her inside out. In the middle of the night Alexandra hears shouting coming from the house next door, and the viscounts life being threatened. She rushes over in time to save Grayson from being hanged by his greatest enemy, his former best friend. Thus is Alexandra pulled into the adventures of Grayson Finley, former pirate and terror of the seas. Grayson has made a bargain with the devil (in the form of the pirate hunter, James Ardmore), in order to ensure the safety of his daughter. Hell do anything to keep her safe, but when Alexandra saves his life, he looks into her eyes the color of water and starts to drown . . . Book One of the Regency Pirates. A full-length novel. From Booklist Pirates add a dash of outlaw excitement and irresistible allure to two smart and lively new romances. Alexandra Alastair's new next-door neighbor, Grayson Finley, is nothing like the other men on her list of potential second husbands. Rescuing Grayson from ruffians, and then discovering that he not only has a young daughter but a pirate past, further convinces Alexandra that Grayson is far too different from the other respectable, suitable men on her list to ever be considered as proper husband material. But despite her best intentions, Alexandra discovers she can't stay away from the distractingly sexy nobleman, even if it means helping him battle a long-standing rival and find the whereabouts of a missing French king. Ashley begins with a perfect pair of protagonists who are equally matched when it comes to cleverness and courage, adds some wickedly fun secondary characters who occasionally threaten to steal the book, and then mixes in lots of intrigue and some richly sensual lovescenes to create a witty and splendidly magical romance.
