ThomasVon Kai AdlerWonderfull, while ther first installment of dark tidings felt a tat bit like selffullfilment, the second book is a lot deeper and I love the turn of events. I cannot wait for the third book.0 von 0 Kunden fanden die folgende Rezension hilfreich. A new star has been bornVon NiceCatI have no idea about the author, I just think he is

either one of the large known ones who writes here under a pseudonym or this one will become known as one of them. I'd like to have 10 stars so I could move most of my 5 stars to 8 to 10 stars and give this one 10 too. The world is a medieval fantasy world with some magic. The protagonist is educated without friends, love or trust. Nevertheless, he is not the target of hate or misuse. Instead he is taught to value efficiency. The resulting person is very interesting. This person's view of "normal" interactions in the "normal" world from the perspective of this man are totally fascinating to read. You read about a normal situation, but seen through the eyes of the protagonist, the situation is totally different than through your own eyes, seconds before. You will understand the reasoning of the protagonist and you will laugh a lot, read some of the "logic" to your partner and see that he has to come to these conclusions he comes to. This is one hell of a book and the writing is very good, not once did I see anything which interrupted my immersion. The story is really good has enough violence and fun to keep you entertained all the time. There is a love story. I hate love stories in fantasy books. This is a good one. Kind of. You really have to read it to believe it :-). If you like fantasy and great stories and great writing and if a powerful protagonist is not a turn down for you, then this one is a must read. 0 von 0 Kunden fanden die folgende Rezension hilfreich. King's Dark Tidings Von Kmmelt Dieses Buch, ebenso wie den ersten Teil der Serie, habe ich infolge meines Kindle Unlimited Abos gelesen. Es war eigentlich nur eine Entscheidung aus einer spontanen Frustsituation heraus, und nicht, weil mich irgendetwas speziell zu diesen Büchern hingezogen hatte. Allerdings kann ich auch nicht etwas ordern und es dann unbeachtet lassen schon gar nicht, wenn es sich um etwas wie Lesestoff handelt. Also machte ich mich ohne irgendwelche Erwartungen ans Werk und las und las und las, suchte nach dem zweiten Band und las. Es hat mich einfach gepackt und nicht mehr losgelassen. Es ist unheimlich mitreißend geschrieben, sehr interessant im Ausdruck und ohne zu viele Rechtschreib- oder Grammatik-Fehler. Es hat mich fasziniert, mitzuerleben, wie der junge Krieger Rezkin lernen muss, sich in der realen Welt zurechtzufinden. Das Bombardement mit der ganzen Breitseite von Gefühlen, die ihn vollkommen berfordern, und seine Art, damit umzugehen, ohne den Verstand zu verlieren, ist manchmal schon etwas humorvoll. Seine Schwierigkeiten bei der Unterscheidung zwischen kleinen Menschen und Kindern, ist wohl wirklich nur zu verstehen, wenn man bedenkt, dass er niemals gelernt hat, dass es so etwas wie eine Kindheit gibt und, dass nicht alle Menschen im Alter werden nur in der körperlichen Größe wachsen. Seine Art und Weise sich mit Freunden zu umgeben, zeigt ganz entscheidend seine Naivität und seine unglaublichen Anstrengungen, sich anzupassen. Ich finde, diese Teile der Story sind dringend notwendig, um die teilweise schon sehr brutale Handlung abzuschwächen und meiner Meinung nach ist es voll gelungen. Es ist in dieser Geschichte von jedem etwas enthalten: Humor, Action, Drama und Liebe. Weiter so!

Kurzbeschreibung An Top 100 Kindle Book #3 on Audible's "Highest Rated Audiobooks of 2016" (All genres) (Business Wire, Dec. 2016) (Now professionally edited!) The mysterious, indomitable warrior? Ruthless criminal overlord? The Rielgesh mythical demigod? Dedicated friend and protector? Equipped with skills far beyond those of the outworlders, Rezkin has been suddenly thrust into a foreign world. The young warrior clings his only known purpose as he continues his search for any information about his identity and the reason for his existence. While the hardened warrior scorns both dueling and tournaments, he believes some of the answers he seeks may be found at the Kings Tournament, the greatest dueling championship in all of the kingdoms. As he searches for the elusive Striker Farson, who may be the only person alive who holds the clues, the young warrior and his friends embark on a journey fraught with danger, mystery and intrigue. Amidst fears of the kingdoms economic collapse, rumors of an eminent military draft, and the machinations of a mad, tyrannical king, a new revelation threatens to upend all the warrior's plans. This is the second book in the ongoing series Kings Dark Tidings.
