A great Regency Fantasy RomanceVon ShawnaLanneRejar was the first Dara Joy book that I read and she won a fan for life with this Regency -fantasy novel. Rejar is a shape-shifting time traveling lover of ladies who seduces a regency miss, Lilac with his 'potent charm'. This book has everythingI look for in a good romance, humor romance and some great sex scenes. This was the first Dara Joy book that I read and after I read it I immediately went out and bought all of her other books which a distressingly few in number. I can not wait until her next book comes out.10 von 11 Kunden

In this, his own book, he becomes as arrogant and repulsive as his brother, Lorgin. The heroine in this book, Lilac, has several more watts of brainpower than Deanna, for all the good it does her. Lilac is still more of a dim bulb than even the average romance heroine. It's still okay to Dara Joy humiliate and degradate her heroines. Dara Joy heroes always treat the heroine like a dog on a leash, dragging her here and there, telling her what to do: "Stand up, sit down, good girl." Dara Joy heroes also have a bad habit of constantly telling a heroine that he just knows she lusts after him. He knows all, even if he's an alien visitor to earth, and the heroine knows absolutely nothing, not even her own mind. Protest any of this arrogance? How dare the woman do that? What little protests arise from the females don't last long and can easily be conquered with a leer or a sneer. If that's not bad enough, this author thinks we're supposed to find it romantic when Rejar rapes Lilac, but it's not. It's not enough for a hero in a romance book to be beautiful, physically...um...fit, and sexually obsessed. If he cannot prove he's caring and loving, at least with the heroine, he's not worth the paper he's written on. Rejar had so many possibilities that he never gets a chance to live up to--and that is a tragedy. 2 von 2 Kunden fanden die folgende Rezension hilfreich. If you hate sappy romances, check this one out! Von Melissa D. I was very new to the romance genre when I came across Dara Joy. Since, then I had the pleasure of meeting the woman behind Rejar. This book is pure, sensual fun! A must read for anyone wanting a little escapism and fun. Sheer joy! Rejar is luscious, unpredictable and a change from the typical hero. His character is full of depth and conviction. It's definitely a book about him and the heroine takes a back seat. It has to be that way you create such a powerful and vivid character. I don't know what's more fun reading it over and over or trying to cast the characters in a movie version. Oh how I wish for it to be.....

Kurzbeschreibung REJARS GOT THE WOW FACTOR! He is a totally sexual creature. Handsome as sin, sensual as silk This cat will get your tongue. And then some. When Lilac Devere discovers a beautiful cat with dual-colored eyes sprawled across her carriage, the proper regency miss decides to take the handsome fellow home to be her pet. Boy howdy, is she in for it now. DIDN'T YOUR MOTHER TELL YOU TO BE CAREFUL OF STRAY TOMCATS? Poor Lilac has no idea that her new cat is a feline shapeshifter. Soon, she is cuddling up to the kitty all night and telling the silken creature her darkest secrets. Lilac may think that Rejar is only her mischievous pet but this cat knows who is his own Multi-award winner! Winner of the Holt Medallion, Best Paranormal Book of the Year, Best Paranormal Romance by the Bookstores That Care Network, awarded Romantic Times Gold Medal, Voted an all-time Desert Isle Keeper. REVIEWS: Ms. Joy delivers a knockout love story In a word, wow! GOLD MEDALLION WINNER, Romantic Times Book Club Sensual to its utmost degree Liana LaRiccia A romance of incandescent brilliance! Melinda Helfer Rejar is hot, hot, hot!! Claudia I read this book, and then I read it again and again and again. I can't and WONT get enough of this book! I don't think that I put the book down or ate and drank while I was reading... Daphne A hero with the biggest heart a hero could have. Definitely a keeper Carla The irony of this sexual god making his way in repressed Regency Society is just too delicious. 5 STARS, The Romance Reader I ached when he tried so hard to be loved for his ambivalent nature and not just for his sex. . . awarded DESERT ISLE KEEPER, LIKESBOOKS.COM It's on my keeper shelf, where it will stay until I reread it, and reread it, and reread it. . . L. L. Mills.de Women love their cats! In Dara Joy's much awaited new book, Lilac Devere has the best of both worlds. She meets Rejar, an immortal "shape-changer" who can take two forms--man or cat. Incredibly sexual and sensitive to women, these shape-changers travel through time, appearing primarily to make love to women. When Rejar finds himself in Regency England in cat form, he makes the most of both forms in Lilac's bedroom and in the salons as one of Lord Byron's friends. Lucky Lilac never has to choose between man and beast! Kurzbeschreibung REJARS GOT THE WOW FACTOR! He is a totally sexual creature. Handsome as sin, sensual as silk This cat will get your tongue.
