Put It Down Book Von Ein Kunde This was my first Barbara Delinsky book I have read and I must say it was the best books I have read in a while. I really enjoy reading, but have not had much time for reading but after reading *Rekindled* I have found the time to read again. The combination of the two books, *Flip Side of Yesterday* and *Lilac Awakening*, into one book was an excellent choice. This was for sure a can't put it down book. I just couldn't wait to see what would happen next. This is the kind of book I hated to see end. Her emotionally powerful stories of love, commitment, loss, and betrayal was wonderful. I became so caught up with the characters that I could not put the book down and read it in one weekend. *Flip Side of Yesterday* shows that sometimes life gives us a second chance to find the one thing we thought we'd lost forever. The darkest secrets are no match for the passions of a lover's heart, in *Lilac Awakening*.
