Von R E Bradshaw : Relatively Rainey (A Rainey Bell Thriller Book 5) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Relatively Rainey (A Rainey Bell Thriller Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Another great book by R.E. BradshawVon SkippyI was lucky enough to win an ebook copy of the new Rainey Bell series. Relatively Rainey continues a year after the last book. A fetish murderer is active in the area Rainey and her family are living. Rainey's little sister got herself in trouble, not only with her big mouth, while Rainey's wife and the triplets

catch a stomach bug. So there's a lot on Rainey's plate to handle and unfortunately her PTSD kicks in as well. I enjoyed the book a lot and was like "What? Why does it end here? I want more!" when I finished the last sentence. I did miss a little bit more family interaction, because the triplets are hilarious and the scene of Katie and Rainey after they came home and Katie "lost" her clothes was priceless. I hope we don't have to wait another year for the next book ... IMO six months would be more than enough :-)

Kurzbeschreibung Terrors come during vulnerable moments in the night. While lost in sleep, demons arise to expose our deepest dreads. Happiness is not a deterrent to the treachery of memories and fears. Having suffered a traumatic event nearly five years prior, Rainey has settled into contented family life. When a body tied to JW Wilson surfaces, the compartmentalization Rainey Bell practices proves to be her near undoing. As the buried demons of her past come to call in nearly nightly terror-filled dreams, self-doubt becomes a constant companion. Rainey endeavors to juggle life as a devoted parent, a loving spouse, a big sister, and a successful entrepreneur. Currently, she is using her behavioral analysis skills for the multi-jurisdictional task force hunting a fetish burglar turned murderer while trying to resolve her resurfacing post-trauma issues before Katie sends her packing. Rainey is also attempting to keep the youthful enthusiasm of her half-sister, Durham Police Officer Wendy King, from torpedoing her young career and endangering her extended family.
