Kurzbeschreibung For fans for Sylvia Day, J. Kenner and Maya Banks. A sexy, thrilling erotic romance from the New York Times ebook bestselling author of the Because You Are Mine series and The Affair. Genny loved her husband Max, but something was missing - a sexual charge that was instead ignited by his business partner, Sean. He was ruggedly handsome, with a heart-stopping smile and a slow, sexy New Orleans drawl that made Genny weak. The more time they spent together, the stronger the attraction between them became and when her husband offered to share her with Sean for one intoxicating night, both Genny and Sean were too tempted to refuse. That night in the company penthouse, Max and Sean showed Genny the heights of ecstasy. But it was Sean who scored her very spirit, and one-on-one, they were red hot. But as Genny learns, there's a price to pay for such impulsive pleasure. What began as a night of forbidden desire spirals into a whirlpool of murder, sensual submission, secrets, and a scorching passion that threatens to consume everyone it touches. Enter the seductive world of Beth Kery where the rules are broken with that first electrifying touch in the sizzling Because You Are Mine, One Night of Passion and The Affair novels.
