Kurzbeschreibung *Relentless Pursuit* is the fifth installment in the Bluegrass Brothers series. Sometimes you have to fight for love. Pierce Davies watched as his older siblings fell in love. Something this bachelor was not ready for. Though Pierce enjoyed the single lifestyle, his life has been his work and that hard work is set to pay off big time with the unveiling of a secret project that is big enough to change his life forever. However, this work hard, play hard attitude may have also landed him in hot water as he finds himself arrested for a brutal murder with a mountain of evidence pointing to him. Tammy Fields has been suffering from the crush to end all crushes. But her flirtations have fallen short as Pierce Davies seems to only see her as a friend. Tammy decides that now is the time to move on, and move on she has. But everything changes quickly when Pierce is arrested and Tammy, a paralegal, is called upon to help with his case. While working closely with Pierce to prove his innocence, she realizes her feelings for Pierce are far more meaningful than just a crush. Will they finally find love or will the increasing danger prevent their happily ever after?
