KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich.  
GreatVon NinaRemember This is a very funny novel. Lucy brings herself in a lot of trouble, and it's always nice to see

how she gets out of it. I had a much of fun reading it.

KurzbeschreibungOver 150,000 copies downloaded!\*\* Best Selling Humor Author\*\*Lucy, a hard working shenanigan queen, finds evidence that her husband, Mason, cheated on her. In a heated moment, she throws a wine bottle at his head leaving him unable to remember anything from his past. Since she is responsible for her husbands amnesia, it is her responsibility to get his memory back. Motivated by revenge, Lucy plans a way to get Mason back to normal while having a little fun in the process. This story unveils her comical attempts to sabotage him and how he tries to win her back.KurzbeschreibungOver 150,000 copies downloaded!\*\* Best Selling Humor Author\*\*Lucy, a hard working shenanigan queen, finds evidence that her husband, Mason, cheated on her.
