Von Gabrielle Goldsby : Remember Tomorrow (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Remember Tomorrow (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A keeper.Von high artSynopsis:Two women find that creating a successful relationship rests in remembering the mistakes of the past.Cees Bannigan has all the materials needed to build a happy life-a successful home improvement

television show, a new house, and the attention of an intelligent and beautiful woman. So what is she doing at the hospital bedside of Arianna Simmons, the love who had abandoned her a year before? When she discovers what is behind Arianna's precipitous withdrawal, Cees must decide if past betrayals can ever be forgiven, even for the promise that tomorrow might hold.-----Fore me this is one of the rare books in this genre that I consider important. The author's approach to the whole story is unique and with that gripping. The "secret" that gets revealed is one that is earth-shattering and sadly unchangeable. I fell in love with this book...with the characters...although especially Cees (pronounced Case) could have used a little more depth to her character. Nonetheless, this book is a rare gem. I am sure everyone will enjoy it.

KurzbeschreibungTwo women find that creating a successful relationship rests in remembering the mistakes of the past. Cees Bannigan has all the materials needed to build a happy life-a successful home improvement television show, a new house, and the attention of an intelligent and beautiful woman. So what is she doing at the hospital bedside of Arianna Simons, the love who had abandoned her a year before? When she discovers what is behind Arianna's precipitous withdrawal, Cees must decide if past betrayals can ever be forgiven, even for the promise that tomorrow might hold.KurzbeschreibungTwo women find that creating a successful relationship rests in remembering the mistakes of the past.
