Von Lory Lilian : Remembrance of the Past (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Remembrance of the Past (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Wie immer - ein Genuss Von Beate Dobbratz Lory Lilian hat in bewhrter Manier OBC zusammen gefhrt. Neue Freunde - und Feinde - beigesteuert und so wieder fr einen schnen langen Lesegenuss gesorgt. Dieses Buch habe ich nicht zum letzten Mal gelesen. 4 von 4 Kunden fanden die folgende Rezension hilfreich. Unterhaltsam Von E. Bock Diese Sequel ist wirklich unterhaltsam: die Geschichte spielt mit dem Gedanken, was gewesen wre, wenn Elizabeth Darcy nicht erst

in Pemberley, sondern bereits vor der Reise in den Norden in London getroffen htte. Dabei lernt sie auch Georgiana kennen. Im brigen wird eine Kindheitsfreundin von den Darcys eingefhrt: Lady Cassandra. Diese wird als eine ebenso emanzipierte und intelligente Frau wie Elizabeth beschrieben und die Dialoge von ihr liest man mit Vergnngen. Lustig ist auch die Idee, dass nicht Lizzy, sondern Mr Bennet das Streitgesprch mit Lady Catherine fhrt, was bei seinem trockenen Humor viel Spa macht... Das Buch enthlt auch Ereignisse nach der Doppelhochzeit von Jane und Lizzy, was natrlich auch einige Bettszenen enthlt. Wer es mag... Im Groen und Ganzen fand ich das Buch amant und schliee nicht aus, dass ich es noch mal lesen werde.³ von 3 Kunden fanden die folgende Rezension hilfreich. "What if..?" Another warmhearted sequel to PPVon EmmaWhat if Elizabeth's journey to the lake country would have been delayed so that she had to wait some days for it to start in London? What if she would stroll through the park with her aunt and would encounter Colonel Fitzwilliam, Mr. Darcy and his sister?Would he greet her or would he not after she so "abominably abused him into his face" when he made her an offer of marriage some weeks before? What if the Colonel would greet her and she would learn that it was not him who saw her first but Mr Darcy? What if they would have the opportunity to meet and visit on several occasions before even starting the journey and then again meet at Pemberley?Lory Lilian has answered all these questions in her book. It is a very romantic sequel to Jane Austen's "Pride and Prejudice" as is her other book "Rainy Days".It is mostly about the time before the engagement and then waiting for the wedding to take place, but this one doesn't quite end at the wedding day and it includes some very dramatic events taking place around some new characters - a friend from Mr. Darcy's youth, Lady Cassandra, a Lord Markham and about Miss Bingley.If you liked "Rainy Days" then you'll like this one, too. In both of them the evolving relationship of Darcy and Lizzy is full of love and trust and faithfulness and truth - and tenderness.

KurzbeschreibungIn Jane Austen's Pride and Prejudice, Elizabeth Bennet unexpectedly met Mr. Darcy while visiting Pemberley. In this "what if"; story, Elizabeth Bennet and her relatives - Mr. and Mrs. Gardiner - are in London, ready to start their tour to the Lakes in June. During this time, Elizabeth's path crosses with Mr. Darcy's again. However, Mr. Darcy is not alone in London: besides his close family - Georgiana and Colonel Fitzwilliam - an old and dear friend has returned and claimed a well-deserved place in their lives. This is a story about hopes and desires, about losses and fears, about second chances and happiness.Second EditionExplicit ContentKurzbeschreibungIn Jane Austen's Pride and Prejudice, Elizabeth Bennet unexpectedly met Mr. Darcy while visiting Pemberley.
