Von Madeline Baker : Renegade Heart (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Renegade Heart (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Different than othersVon Ein KundeWell this is the first time I have rated one of Madeline Bakers books lower. It just

didn't seem to have the same flair and excitement. I enjoyed the characters although. Rachel appeared a little stubborn and spoiled and Logan would prove well as a modern day male chauvinist pig. But Madeline did do a fine job in capturing many blissful moments with the pair. Many times throughout the story I felt that there were some missing parts that would be essential to the plot. But, oh well, no matter what I enjoyed this book.

Kurzbeschreibung Rachel Halloran knows there will be trouble after taking in Logan Tyree. The wanted man with a bullet wound makes her desire pleasures that are forbidden. Her father, however, believes Logan is the solution to his problems. But Logan won't be controlled by anyone for free. If Rachel's father needs him, there will be a price to pay. And if Rachel wants his love, it will cost her more than she may be willing to give. Kurzbeschreibung Rachel Halloran knows there will be trouble after taking in Logan Tyree.
