Kurzbeschreibung Silver Blackthorn is a fugitive. Silver Blackthorn has committed treason. She is dangerous. Do NOT approach her. A large reward is on offer. Report any sightings to your nearest Kingsman. Long live the King. Silver Blackthorn is on the run. She fled Windsor Castle with eleven other teenagers, taking with her something far more valuable than even she realises: knowledge. With the entire country searching for the missing Offerings, Silver must keep them all from the vicious clutches of King Victor and the Minister Prime. Until now, no one has escaped the king and lived to tell the tale. Or have they? With expectations weighing heavily on the girl with the silver streak in her hair, will she ever find her way home? Following the breath-taking Reckoning, Renegade continues the excitement of the Silver Blackthorn Trilogy by bestselling author Kerry Wilkinson. Pressestimmen 'A strong voice and an intricate endgame' (Publishers Weekly) 'Hand this one to teens who have finished Lauren Oliver's Delirium and Alexandra Bracken's The Darkest Minds to keep them contentedly reading' (Voya Magazine) 'An incredible story which is so cleverly written . . . Silver is just kick ass!' (Book Nook) Werbetext Outlaw. Rebel. Hero.
