Renegade (The Captive Series, Book 2)Von Lily M."Renegade" by Erica Stevens is the second book in "The Captive Series" and it picks up two months after "Captured" (book 1). Aria's returned to her family, where they now live in

caves. Though she is free of the palace, rescued from her position as a blood slave, Aria is haunted by the memories of Braith. She's heart broken to find out the secret that Braith didn't tell her and lost without him. Also the prince is lost, but in blood lust that can't sedate him. He's broken, because Aria left him after she told him to love him and never leave him. To forget her and to ease his hunger, he picks up as many blood slaves as he can. He tells his brother to find them and bring them to him, so he can punish them. But after a vampire hunting party got close to find Aria, he decides to go after her alone and to punish her for her betrayal. Like book 1, I enjoyed and liked very much this one. It's action packed, full of twists and turns. We're also introduced to more characters and their back story. Looking forward for the next book in this Series, I recommend this!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ist ok, aber... Von GeorgeCPU die Geschichte wird irgendwie langweilig. Zum Schluss musste ich mich schon zwingen, das alles fertig zu lesen. Dabei war der erste Teil sehr gut. Aber die Atmosphäre kommt irgendwie nicht so richtig rüber... und ich hasse es mittlerweile, dass immer alle weiblichen Hauptpersonen in "solchen" Bchern Jungfrauen sind.

Kurzbeschreibung***The first book in this series, *Captured*, is *Free!****Edited by Leslie Mitchell at G2 Freelance Editing and re-released 3/14/13. Though she is free of the palace, rescued from her position as a blood slave, Aria is haunted by the memories of her time spent within the fortress, tormented by memories of Braith, the prince that betrayed her and shattered her heart. Every day is a struggle to get through, and the only solace she can find is with Max, her best friend, and fellow captive. Max doesn't understand her bond to Braith, but he knows some of what she endured. Aria slowly begins to salvage the broken parts of her wounded spirit by throwing herself into the wonder of the woods she had so greatly missed, and the secure and reassuring love that Max freely gives her. Her world is thrown into a tailspin again though when a marauding group of vampires destroy the caves she'd taken temporary shelter in.
