KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. najaVon Lesen und Trumen - Sabine aus Ich tu mir mit einer Rezension hier ein wenig schwer.Die Geschichte selbst ist in Ordnung und lsst sich flssig lesen. Ford's Exfreundin allerdings ist mir ein wenig zu verrckt, und es wurde im Zuge der Handlung immer schlimmer, vor allem weil Ford im Zuge des Buches nicht den Eindruck auf mich gemacht hat, dass

er so begehrenswert war, abgesehen von seinem durchtrainierten Körper. Was mich sehr gestört hat - der viel Sex. Die Hälfte des Buches sind nur Sexszenen, und für mich war auch nicht ganz glaubwürdig, dass aus einer "nur-Sex"-Nacht plötzlich so tiefe Gefühle entstanden sind. Die Sexszenen sind sehr genau beschrieben, was mich jetzt nicht unbedingt stört, aber diese Art von Sex mit einem Fremden zu haben, vor allem, wenn Sky als bisher treue und unerfahrene Person beschrieben wird, das kam mir ein wenig zu dick aufgetragen vor. Weder Sky noch Ford konnten mich als Charaktere so richtig berzeugen. Obwohl die Geschichte kapitelweise aus Sicht von Sky und Ford erzählt wurde, konnten mich beide nicht wirklich für sich einnehmen und blieben für mich gesichtslos. Zu wenig wurde der Charakter der beiden ausgearbeitet. Trotzdem werde ich auch zumindest Band 2 lesen in der Hoffnung, dass sich die Geschichte hier ein wenig steigert.

Kurzbeschreibung Sky's whole world is turned upside down when she catches her long-time boyfriend cheating. Depressed over the breakup, she decides to drive to the beach to spend time with her friends and drown her sorrows in hot guys and fruity drinks. The only problem with her plan is her piece-of-junk car. It breaks down halfway into her trip, in the middle of nowhere a place where cell phone towers don't even exist. Ford's life has changed drastically in the past year, and he spends his days working at his family's run-down auto repair shop. When his father tells him to go rescue a stranded traveler, he soon finds himself with a hot opportunity to forget about what ruined his life, even if it's only for one night. With sexy chemistry between them, Sky and Ford agree to a one-night stand, to let go of what each of them are running from and enjoy each other with no strings attached. But as their heated night progresses, they both know that one night is never going to be enough. What happens when one night turns into two? And two turns into three? Can two people, who know nothing about each other, really fall in love? Or is lust just playing with their torn hearts?
