Einflussame Regency-Romanze mit ernstem ThemaVon VioBei einem Spaziergang auf seinem Anwesen findet Parker Peregrine, der Marquis of Ashford, die halbverhungerte und vllig erschpifte Persephone Smith und ihr Baby Matilda.  
Parker und seine reizende Tante Adele pflegen Persephone gesund und bieten ihr ein sicheres Zuhause, doch fr

Persephone ist es uerst schwierig, Vertrauen zu ihren wohlmeinenden Gastgebern zu finden. Verstdlich, denn die junge Frau wurde von ihrem eigenen Onkel, einem uerst brutalen Perversen, und dessen gleichgesinnten Freunden mehr als zwei Jahre lang tagaus, tagein misshandelt und vergewaltigt, bevor ihr endlich die Flucht in eine vllig ungewisse Zukunft gelungen ist. Fr einen Regency-Roman ist "Rescue me please" von Nicole Matthews eine auergewhnliche Geschichte, denn sie spricht schwierige Themen wie sexuellen Missbrauch an, um welche die meisten Autorinnen und Autoren, die diese Eopche beschreiben, einen weiten Bogen machen. Der Gewalt wird jedoch nicht viel Platz eingerumt, denn die Erzhlung konzentrierte sich auf Persephones Heilung und die Annherung zwischen der verngstigten jungen Mutter und dem umsichtigen Parker. Whrend mich an Persephone ihre Strke und ihr unbeugsamer berlebenswille beeindruckt haben, fand ich Parkers Einflhungsvermgen und Liebenswrdigkeit beseelend. Er ist genau das, was die gepeinigte Frau braucht, um wieder Zutrauen zur Menschheit zu fassen. Parker bedrnt sie nicht, sondern lsst ihr alle Zeit der Welt, um sich von ihren Qualen und Verletzungen zu erholen, und untersttzt sie in jeder Hinsicht. Die Nebenfiguren, etwa Parkers Schwager und seine Tante finde ich ebenfalls gut beschrieben und sympathisch. Mir hat das Buch sehr gut gefallen, auch hatte ich keine Schwierigkeiten, mich in die Geschichte einzufinden, obwohl das Buch das dritte einer vierteiligen Reihe ist. Die Reihe im berblick: 1. Ruin Me Please (The Prodigious Peregrines) 2. Seduce Me Please (The Prodigious Peregrines) 3. Rescue Me Please (The Prodigious Peregrines) 4. Tame Me Please (The Prodigious Peregrines)
