Jaguar Overcomes FearsVon CustomerShapeshifters and love interest all wrapped up in a jungle tale full of kidnap, villains, unexpected happenings and the tests involved in being a Jaguar shapeshifter trying to overcome your past baggage in mating with humans. Candela manages to escape her captors and suffers a great deal in the jungle, then Phillippe

struggles to better his feelings and fall in love with her. The fantasies meld well with the real and, all in all, the package is a very pleasant read. Highly recommended. 0 von 0 Kunden fanden die folgende Rezension hilfreich.
alphaVon The Wizard of OzThe fourth of four parts and it is every bit as exciting as I hoped it would be. Reading serialized editions is not easy because of the wait but in this case the wait has been worth it. All we need now is for the author/publisher to release all four parts as a complete novel. 0 von 0 Kunden fanden die folgende Rezension hilfreich.
A fitting climaxVon ConvokeThis book is Part 4 of Rescued by an Alpha, a serialized book focusing on love between jungle shape-shifters and humans, and is intended for adult audiences only (18+). If you haven't read the previous installments, jaguar-up and get those first. This installment asks the immortal question: Will our hero (in this case, Philippe) survive the trials in Installment Three and find love again? Now in Part 4, Philippe faces mortal danger as terrified tourists are attacked; Chan hunts a young woman lost in the jungle. Meanwhile, in faraway Europe, Tom and Serena face trials of their own: with Carlos' shadow lingering over them, they take a holiday in werewolf country. Celine Yorke's #4 is the final installment of "Rescued by an Alpha, 21.000 words words long. If you read my notes above, by now you know this book will not stand alone -- it wasn't meant to do so. For those following this story from its beginning, suspense and romance jostle each other for primacy on every page.
