**Von Kimberly Hunter : Rescued by Love (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rescued by Love (English Edition):

KurzbeschreibungA soldier home from hell. A furry, lost friend. A last request. When youre at war, theres always the risk of never making it home. Of losing friends and team mates. For Graham Knowles, losing his brother to one last mission is the ultimate loss. But instead of drowning in grief, theres a last request. Find Jake. Being the accountant for his uncles no kill shelter, Wyatt Daniels has seen more than his fair share of animals processed and placed in new homes. But when a beautiful German Shepard with soulful eyes and more smarts than most people comes through, well, he cant resist. He takes the sweet boy home. Finally tracking down Jake, Graham gets more than his furry friend back. He meets the man of his dreams. Wyatt feels the connection too. However, his track record with men is rocky at best. Undaunted, Graham promises to go slow despite wanting Wyatt so bad, his teeth ache. Unfortunately, not all are happy that Wyatt and Graham are dating. And when Wyatt is kidnapped, Graham has to use every skill at his disposal to get him back. Even at the risk of losing his new job working for Uncle Sam.
