Von Jordan L. Hawk : Restless Spirits (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Restless Spirits (English Edition):

For me it dragged a little bit in the middle but that can be due to the fact that just before reading the book I've listened to Bloodline, which is definitely better. But we know Wyborn and Griffin now for a while, so I think Henry and Vincent just need a book or two more to be as interesting

them. They need a bit more character development but I'm sure Jordan L. Hawk will deliver. I also liked the other characters, they have potential. I'm sure going to continue reading this series.

Kurzbeschreibung After losing the family fortune to a fraudulent psychic, inventor Henry Strauss is determined to bring the otherworld under control through the application of science. All he needs is a genuine haunting to prove his Electro-Sance will work. A letter from wealthy industrialist Dominic Gladfield seems the answer to his prayers. Gladfield's proposition: a contest pitting science against spiritualism, with a hefty prize for the winner. The contest takes Henry to Reyhome Castle, the site of a series of brutal murders decades earlier. There he meets his rival for the prize, the dangerously appealing Vincent Night. Vincent is handsome, charming and determined to get Henry into bed. Henry can't afford to fall for a spirit medium, let alone the competition. But nothing in the haunted mansion is quite as it seems, and soon winning the contest is the least of Henry's concerns. For the evil stalking the halls of Reyhome Castle wants to claim not just Henry and Vincent's lives, but their very souls. **Novel:** 69,409 words **Other books by Jordan L. Hawk:** The Whyborne Griffin series: Widdershins (Book 1) Threshold (Book 2) Stormhaven (Book 3) Necropolis (Book 4) Bloodline (Book 5) Eidolon (A Whyborne Griffin short story) Remnant (A Whyborne Griffin/Secret Casebook of Simon Feximal short story) written with KJ Charles Carousel (A Whyborne Griffin short story) in the Another Place in Time anthology Hainted Heart of the Dragon (short story) The SPECTR series: Hunter of Demons (Book 1) Master of Ghouls (Book 2) Reaper of Souls (Book 3) Eater of Lives (Book 4) Destroyer of Worlds (Book 5) Summoner of Storms (Book 6) **Kurzbeschreibung** After losing the family fortune to a fraudulent psychic, inventor Henry Strauss is determined to bring the otherworld under control through the application of science.
