like it ... Von Mee The first time I read this novel is almost 20 years ago. It was at a public library in my neighborhood. Since then I'd bought it four times. Two German translations, since the first one started to crumble, one English soft-cover and now the English kindle edition. I'd recommend to everyone who has a translated version to read it in English too, a few minor things still got "lost in translation". I still read it about 2-3 times a year. I just like the story, it is one of the few books where I don't have the urge to nag at the female main character (fmc) to stop being such a blockhead, sissy or drama queen. There are no artificially created dramas due to supposedly hurt feelings or unreasonable jealousy. Sure, the fmc gets her looks improved, but the story doesn't just revolve around that. She doesn't get a reversed harem and men don't fall to their knees and try to cater to her every need just because of her looks. The fmc may not be an incomparable genius or martial arts/ sporting ace, but she has some common sense and is capable of using her head. She is a believable and likeable character.

ROMANTISCHE WELTRAUMFANTASY Von megareader Brilliant entwickeltes plot; ehemals hssliches Entlein erhlt eine Rudumerneuerung, befreit heien Typ, rettet eine Welt, besteht dabei Abenteuer und macht die Bdewichte fertig , , ,

Kurzbeschreibung There was a sudden stench of a dead sea creature. There was the sudden horror of a huge black shape closing over her. There was nothing... Then there were pieces of memory, isolated fragments that were so horrible her mind refused to accept them. Intense heat and shivering cold; excruciating pain; dismembered pieces of the human body. Sawn bones and searing screams. And when she awoke she found she was in a world that was not earth, and with a face and body that were not her own. She had become a Restoree...
